## TAB C: NEW CHARTER PETITION

### 1. Elevate Academy

Monica White and Matt Strong presented the Elevate Academy petition.

Ms. White described the petition as a collaboration between the school, local businesses, and the community. They aim to serve 6<sup>th</sup>-12<sup>th</sup> grade at risk students in career technical education. She reviewed their educational model and programs they plan to incorporate to allow for credit recovery.

Mr. Strong reviewed their community support systems.

Chairman Reed inquired about how they successfully enroll their targeted demographic.

Ms. White explained that it will be a grassroots effort to identify the students, especially in year one. They believe that, after year one, their reputation will attract students.

Mr. Strong addressed concerns from commissioners regarding teacher recruitment and credit recovery programs.

Dr. Shalene French, Caldwell School District Superintendent, spoke in opposition to the Elevate petition. They believe Elevate Academy will be an unnecessary expense to taxpayers, as it is duplicative of services already offered in the district. Several points of concern include the funding affecting surrounding districts, online learning for at-risk students, dual enrollment, transportation, issues associated with year round schooling, and an increased difficulty of recruiting educators.

Terry Ryan, Executive Director of BLUUM spoke in support of Elevate Academy.

**M/S (Quinn/Kunz):** To approve the new charter petition for Elevate Academy Alternative Charter School's new charter petition. *The motion passed unanimously.*
