Dear FRPCS Board of Directors:

As you are aware, Idaho Code § 33-5209 requires an authorized chartering entity to provide written notice of defect to any school which it has reason to believe has committed a defect. This letter is to serve as written notice of defect to FRPCS on the grounds that FRPCS has failed to substantially meet any of the student educational standards in the approved charter.

Pursuant to IDAPA 08.02.04.301.03, please submit to the Public Charter School Commission office by February 14, 2011, a corrective action plan detailing the means by which FRPCS will cure this defect.

As always, you are welcome to contact me any time I may be of assistance.

Sincerely,

A handwritten signature in cursive script, appearing to read "pp. Tamara Baysinger".
