Board of Directors
Idaho Science and Technology Charter School
17 North 500 West
Blackfoot, ID 83221

Dear Idaho Science and Technology Charter School Board of Directors:

As you are aware, Idaho Code § 33-5209 requires the authorized chartering entity of a public charter school to provide written notice of defect to any school which it has reason to believe has committed a defect.

This letter is to serve as written notice of defect to Idaho Science and Technology Charter School (ISTCS) on the following grounds:

1. The Public Charter School Commission (PCSC) has reason to believe that ISTCS has failed to demonstrate fiscal soundness as defined by I.C. 33-5209(2)(d).
2. The PCSC has reason to believe that ISTCS has failed to substantially meet any of the student educational standards identified in the approved charter, specifically, goal 1 and the school's general commitment to excellence in science and technology education.

Pursuant to IDAPA 08.02.04.301.03, please submit to the PCSC office by July 26, 2010, a corrective action plan detailing the means by which ISTCS will cure these defects.

Sincerely,

A handwritten signature in black ink, appearing to read "William H. Goesling".

William H. Goesling, Chairman, PCSC
