Dear Wings Charter Middle School Board of Directors:

As you are aware, Idaho Code § 33-5209 requires an authorized chartering entity to provide written notice of defect to any school which it has reason to believe has committed a defect. This letter is to serve as written notice of defect to Wings Charter Middle School (Wings) on the grounds that Wings has failed to substantially meet any of the student educational standards in the approved charter, specifically, measurable student educational standards 1 and 3 in the approved charter.

Pursuant to IDAPA 08.02.04.301.03, please submit to the Public Charter School Commission office by July 29, 2011, a corrective action plan detailing the means by which Wings will cure this defect.

As always, you are welcome to contact me any time I may be of assistance.

Sincerely,

A handwritten signature in cursive script, reading "T. Baysinger".
