

BINGHAM ACADEMY

2017 ANNUAL PERFORMANCE REPORT

INTRODUCTION

Each year, Idaho's Public Charter School Commission (PCSC) issues a performance report to every school in its portfolio. The annual report serves several purposes:

1. To provide transparent, data-driven information about charter school quality;
2. To ensure charter school boards have access to clear expectations and are provided maximum opportunity to correct any deficiencies prior to their renewal year; and
3. To inform mid-term authorizing decisions, such as the evaluation of charter amendment proposals.

This report contains an overview of the school, including its mission, leadership, and demographics. The overview is followed by the school's performance framework, including outcomes for the most recently completed school year.

The performance framework clearly sets forth the academic and operational performance indicators, measures, and metrics that will guide the PCSC's evaluations of the school. It contains indicators, measures, and metrics for student academic proficiency, student academic growth, post-secondary readiness (for high schools), and board performance and stewardship.

In accordance with Idaho law, the performance framework requires, at a minimum, that each school meet applicable federal, state, and authorizer goals for student achievement. It is designed to fulfill this requirement while respecting the diverse missions and student populations represented in PCSC portfolio schools. This performance framework was adopted by the Idaho Public Charter School Commission on May 4th, 2017.

To facilitate a clear context for the academic results contained in this report, the demographic, enrollment, and school leadership information provided is from the school year during which the data was gathered. Updated enrollment and school leadership information is available upon request from the school or PCSC office.

The data provided in this report was gathered primarily through the State Board of Education and State Department of Education. An independent financial audit and any applicable mission-specific data were submitted directly by the school. The school had a opportunity to correct or clarify its framework outcomes prior to the publication of this report.

Public charter school operations are inherently complex. For this reason, readers are encouraged to consider the scores on individual measures within the framework as a starting point for gaining a full, contextualized understanding of the school's performance.

PERFORMANCE FRAMEWORK STRUCTURE

The academic section comprises the primary indicators on which most renewal or non-renewal decisions are based. The mission-specific, operational, and financial sections contribute additional indicators that are, except in cases of egregious failure to meet standards, considered secondary.

Academic	The academic section focuses on quantitative academic outcomes. It reflects the PCSC's commitments to considering schools' performance in the context of their communities and student populations. Although some results may not be made publically available in certain cases, in order to protect individually identifiable student information, the PCSC may still use this information for purposes of making authorizing decisions.
Mission-Specific	The mission-specific section provides an opportunity for meaningful acknowledgement of schools' achievements that are not reflected elsewhere in the framework. These measures may be academic or non-academic in nature, but must be objective and data-driven. Mission-specific measures are generally optional; however, inclusion of certain mission-specific measures may be required as a condition of the performance certificate.
Operational	The operational section considers whether schools are operating in compliance with federal and state law, authorizer requirements, and the provisions of their performance certificates.
Financial	The financial section evaluates the near-term and long-term financial status of the school. Schools with management contracts containing deficit protection clauses may be exempted from these indicators.

ACCOUNTABILITY DESIGNATIONS

Calculation of the percentage of eligible points earned for each school determines that school's accountability designation in each section. The accountability designations, in turn, guide authorizing decisions. The PCSC will consider contextual factors affecting a school's accountability designations when making authorizing decisions.

Honor	Schools achieving at this level in all sections are guaranteed renewal. Replication and expansion proposals are likely to succeed.
Good Standing	Schools achieving at this level in the academic section will be recommended for renewal; however, conditional renewal may be recommended if outcomes in other sections are poor. Replication and expansion proposals will be considered.
Remediation	Schools achieving at this level in the academic section may be recommended for non-renewal or conditional renewal, particularly if outcomes in other sections are poor. Replication and expansion proposals are unlikely to succeed.
Critical	Schools achieving at this level in the academic section face a strong likelihood of non-renewal, particularly if outcomes in other sections are also poor. Replication and expansion proposals will not be considered.

SCHOOL OVERVIEW

Mission Statement	The mission of Bingham Academy (BA) is to prepare students to make intelligent and appropriate decisions about their education and future careers. Students who are motivated will be able to complete an Associate Degree by the time they graduate from high school.		
Key Design Elements	<p>Bingham Academy will provide and encourage extensive participation in Dual Enrollment coursework so that our students may earn college credits while still in high school.</p> <p>Bingham Academy will provide and encourage extensive participation in Tech Prep coursework leading toward college credits and professional/technical careers.</p> <p>Bingham Academy will provide and encourage extensive participation in STEM coursework approved by “the STEM academy” leading toward credits provided by their partner colleges</p>

ACADEMIC 9-12

All proficiency and growth measures will be scored using the ISAT by SBAC, or any state-required standardized test as may replace it. Subject area (math and ELA) may be replaced by similar subject areas if necessary due to statewide changes. On all applicable measures, standard rounding to the nearest whole number will be used for scoring purposes. Measures based on ISAT outcomes exclude alternate ISAT data; as a result, the outcomes shown may differ slightly from those published on the State Department of Education's website.

INDICATOR 5: COLLEGE & CAREER READINESS (GRADES 9-12)

Measure 5a

Are students graduating from high school on time?

Four-Year Adjusted Cohort Graduation Rate

Exceeds Standard: The school's four-year ACGR was at least 90%.

Meets Standard: The school either:

a) had a four-year ACGR of 80% - 89% OR

b) had a four-year ACGR of at least 66% AND met its progress goal.

Does Not Meet Standard: The school met its progress goal but had a four-year ACGR below 66%.

Falls Far Below Standard: The school did not meet its progress goal and had a four-year ACGR below 66%.

The school's graduation rate progress goal will be established by the state accountability system. If such goals are not established by the state accountability system in any given year, the school's graduation rate progress goal will be established as follows: The progress goal will represent the school's most recent four-year ACGR plus one-sixth of the amount of growth needed to decrease the rate of non-graduates by 50% within 6 years, using the most recent school year as the baseline year. If the school does not have baseline data, its progress goal will initially be based on the surrounding district average graduation rate. BA's progress goal for 2017, based on the Blackfoot School District graduation rate, was 68.28%.

Notes

Graduation rates are calculated on a 4-year-plus-summer cohort; for this reason, data availability will always run one year behind. That is, annual reports will contain graduation rate data from the cohort preceding the most recent school year. For example, 2015-16 ACGRs will be reflected in 2017 reports.

The 66% "floor" established by the bottom two categories is based on ESSA's mandatory inclusion in Targeted Support of any school that graduates fewer than 2/3 of its students on time.

*The 2015-16 ACGR for Bingham Academy reflects a very small cohort size.

Board Oversight																	
<p>Meets Standard: The school's board practices consistent, effective oversight of the school, including but not limited to frequent review of the school finances and academic outcomes. Board meeting agendas, packets, and minutes reflect competent oversight practices and actions to foster academic, operational, and financial strength of the school, including ongoing board training, policy review, and strategic planning. The school's board has adopted and maintains a complete policy book.</p>																	
<p>Partially Meets Standard: Some of the school board's oversight practices are underdeveloped, inconsistent, incomplete, or reflect a need for additional training. Board meeting agendas, packets, and minutes reflect meaningful efforts toward self-evaluation and improvement. The school's policy book may be substantially complete but require additional maintenance.</p>																	
<p>Does Not Meet Standard: The school's board fails to practice consistent, effective oversight of the school, and/or documentation of competent oversight practices and actions is not maintained. The school's policy book may be incomplete, unmaintained, or non-existent.</p>

IDAHO STEM ACADEMY DBA BINGHAM ACADEMY --- MISSION-SPECIFIC FRAMEWORK

The mission-specific measures below are not part of the school's current performance framework. The outcomes are included here to recognize the school's achievement during the final year during which its previous performance framework applied.

MISSION-SPECIFIC GOALS				
Measure 1	Is the school successfully motivating students to participate in STEM competition?	Result	Points Possible	Points Earned
	Exceeds Standard: 85%-100% of 9th graders competed in a qualifying STEM project competition during their freshman year.	88%	150	150
	Meets Standard: 65-84% of 9th graders competed in a qualifying STEM project competition during their freshman year.		120	
	Does Not Meet Standard: 40-64% of 9th graders competed in a qualifying STEM project competition during their freshman year.		60	
	Falls Far Below Standard: Less than 40% of 9th graders competed in a qualifying STEM project competition during their freshman year.		0	
				150.00
Notes	For the purposes of this evaluation, a "qualifying STEM project competition" is a project-focused competition judged by outside parties (non-Bingham academy staff or board members) and open, at a minimum, to all students participating in STEM classes. Results will be reported to the PCSC by October 1.			
Measure 2	Is the school successfully motivating students to earn postsecondary credits during their high school careers?	Result	Points Possible	Points Earned
	Exceeds Standard: 61% - 100% of 11th graders who have been enrolled at Bingham Academy since the beginning of their 10th grade year or longer successfully completed at least 12 postsecondary credits by the end of their junior year.		150	
	Meets Standard: 40% - 60% of 11th graders who have been enrolled at Bingham Academy since the beginning of their 10th grade year or longer successfully completed at least 12 postsecondary credits by the end of their junior year.		120	
	Does Not Meet Standard: 25% - 39% of 11th graders who have been enrolled at Bingham Academy since the beginning of their 10th grade year or longer successfully completed at least 12 postsecondary credits by the end of their junior year.		60	
	Falls Far Below Standard: Less than 25% of 11th graders who have been enrolled at Bingham Academy since the beginning of their 10th grade year or longer successfully completed at least 12 postsecondary credits by the end of their junior year.	0	0	0
				0.00
Notes	Bingham Academy will report on this goal beginning with data from the 2015-2016 school year. For the purposes of this evaluation, "successful completion" is defined as completing the course with a C or better. The minimum sample size for this measure will be 25; if the sample size is insufficient, the points for this measure will be evenly distributed amongst the remaining measures. Results will be reported to the PCSC by October 1.			

Measure 3 Is the school preparing students for success on nationally recognized tests indicating college readiness?		Result	Points Possible	Points Earned

Notes	<p>"Nationally recognized tests" for purposes of this measure include the PSAT (Scholastic Aptitude Test) or comparable results from the SAT, ACT, ACCUPLACER, or COMPASS. The college readiness benchmarks will be set numbers as recommended by the test creators and will be applied uniformly to all students. Students who meet the college readiness benchmark in one academic area or more will be included as acheiving college readiness on the appropriate test. Results will be reported to the PCSC by October 1.</p>

Notes	<p>STEM education is one of the areas included in the educational program outlined in Bingham Academy's charter. Introduction to Engineering Design, a course based on STEM principles, will be facilitated using the Project Lead the Way (PLTW) curriculum. The course is a year-long, required course at Bingham Academy and, with a qualifying score of 6 on the End-of-Course (EOC) Assessment, qualifies for college credit. The PLTW EOC Assessment scores students on a 1 to 9 scale, with 5 being the average score (nationally). A score of 6 or higher represents higher than average performance by the student. Based on PLTW's research, they anticipate approximately 45% of students (nationally in their programs) to score a 6 or higher. For the purposes of this measure, a student will have "completed" the course if he/she is enrolled in the course within 20 school days of the beginning of the school year and remains enrolled in the course until the PLTW End-of-Course Assessment is administered. The PLTW EOC Assessment will be administered within 20 school days of the end of the school year. Results will be reported to the PCSC by October 1.</p>
