#### IDAHO LOTTERY: SCHOOL LEADERS

During the month of February, the Idaho Lottery held a "School Heroes" event where school personnel could be nominated for recognition and awards. We had (4) of our very own portfolio charter schools have a staff member receive this recognition. We'd like to take a moment and share these "school heroes" below!

#### AWARD RECIPIENTS:

Patti Covell- Falcon Ridge Public Charter School  
Shantell Mullanix- Heritage Community Charter School  
Jamie King- North Valley Academy  
Katie Ashby- Sage International School
