<p>Came to our school with 27 credits at beginning of school year 21/22. Student moved out of state in November and transferred to another public school. Student was approved to be removed from ISD's graduation rate data after we appealed with evidence student enrolled in an out of state school. Therefore, student should not be included in this metric. The PCSC staff would not have had the approved appeal information when they made their calculations.</p>	<p>Student should be removed from total count, because graduation rate appeal to have student removed was approved by SDE.</p>	<p>2021-2022</p>	<p>452 IDAHO VIR</p>	<p>1302 INSIGHT SA</p>	<p>12 2021</p>	<p>9/7/2021</p>	<p>11/19/2021 2C</p>	<p>73 no</p>
<p>Student enrolled with ISID with 11.5 credits on 9/7/21 and left on 12/8/21 after earning 3 additional credits for a total of 14.5 credits. This student's graduation cohort was 2021 and is not on our 4 or 5 year grade rate list in SDE which means another school claimed the student. Director Thompson stated that students who enrolled elsewhere would be removed from the list.</p>	<p>Student should be removed from total count, because student was removed from our SDE grad rate list.</p>	<p>2021-2022</p>	<p>452 IDAHO VIR</p>	<p>1302 INSIGHT SA</p>	<p>12 2021</p>	<p>9/7/2021</p>	<p>12/7/2021 2A</p>	<p>91 no</p>
