Hi Kelly. I'm just catching up today. There may have been a misunderstanding. Sheri doesn't remember speaking with your board chair, and I'm scheduled to be out of town on the 29th. Let me circle back on Monday and see what I can do with scheduling, but that timing may not work out.

I should have an updated recommendation notification for you on Monday afternoon. Let's chat then.

Thanks!

Hi Jenn,

I hope you had a nice Thanksgiving!

I am checking back with you on the Tuesday, November 29th meeting. Please let me know if 1 pm will work for you. I am off Monday, but I will check email for your reply, so I can let our board chair know.

Thanks,

2

Kelly

Hi Jenn,

I asked our board chair about attending our potential Tuesday, Nov 29th meeting, and he said Sheri had sent him an email about a meeting. I am assuming you asked her to do that, and thank you!

BTW – I found one more typo in the v.3 of the report. Page 6 shows IDVA Math proficiency as <37%.

Page 8 shows IDVA math proficiency at >33%, and your “notes to Kelly” noted “we list this as <33%”. I am wondering if you meant it would be listed as >33%? Or should it be the <37% on page 6?

Thank you, again, for all your work on this, and I look forward to meeting with you.
Kelly

Thank you,
Kelly

Thank you, Jenn! It will be nice to tell the board that the lit proficiency condition will be removed!

How about 1 pm on the 29th?

I'm glad you were able to talk with Jared. If the school did meet standard, then there is no need for a condition. If that's the case, I'll revise the notice and send you the updated copy. I'll review with Jared next week.

Yes, the 29th is good timing.

Hi Jenn,

Thank you for the additional updates and for sending me the v.3 version of the draft annual report. I also appreciate the data notes. I called and spoke with Jared just now, and he was very helpful. He is going to remove the extra "g" in my last name on p. 1 of the v. 3 draft and also update p. 6 Additional Graduates to 18% to match p. 17. He affirmed that the 18% was correct. He and I discussed the Additional Grads measure, and he helped me understand it better, which I appreciate. Additionally, he is going to talk with you about our condition 2 which states IDVA did not meet standard for literacy proficiency. The data in the draft report is correct, and our school did meet standard. He said it looks like our school should not have a condition for literacy proficiency since we did meet the standard, and he will talk with you about it to confirm.

I also gave Jared the same information I reported to you Tuesday on Operational 2a and 2c on the Old Framework draft, and he was going to look into that.

I know you are at a conference, and I will be off next week. I would like to schedule a time to meet with you the week of November 28th to discuss our conditions. Are you available Tuesday November 29th? I am pretty open that entire day.

I hope you are enjoying your conference, and thank you for working with me during your limited breaks!

Kelly

I got your voicemail. I'm at a conference, and don't have much availability. I did review the draft report again. I regret throwing that version together so quickly. I should have told you I'd decided to do it and then taken my time to get it to next week. However - I did just go through it with a fine tooth comb and reuploaded. I also included some notes on the calculations (the easy ones).

Jared can talk you through the alt measures and which schools were included in the comparison group. He's in the office tomorrow and can take a call.

Hopefully that will get you close enough to take the draft to the board tomorrow. Statute does give us until January 15th to finalize any corrections and publish, so if I've missed anything else, we'll need to put it on hold until I get back.

I am glad the new version is working for you. After renewal it will include the financial measures, but not this year.

Thanks again! Have a great evening.
