Thank you, Jenn. We will use the form for those last corrections. We will watch for the updated renewal recommendation.

Happy Friday!
Kelly

Thanks Kelly. I would recommend you use the annual response form to submit final corrections. We have many other balls in the air right now, and I'm afraid a single email outside of the established process could easily be overlooked. I'll do my best to remember all the things, but it would be in your best interest to complete the form. We will not be addressing annual reports until after December 15th.

I'll work on revision of the renewal recommendation and get that back out to you asap.

thank you!

Hi Jenn,

Thank you for reviewing and acknowledging that IDVA met the standard for Literacy Proficiency and for removing the Literacy Proficiency condition in the updated notification of recommendation you sent. Thank you, too, for the discussion Monday evening. I appreciate your willingness to listen and the updates you are willing to make to the conditions. I spoke with Chairman Thompson and relayed the proposed updates you and I discussed. I have outlined those below.

- Condition 1 proposal:
 - Update this:
 - IDVA's alternative education program, Insight School of Idaho (Insight), must increase its outcome on the Alternative Additional Graduates measure of the Commission's performance framework to **24%** by fiscal year 2025.
 - To this:
 - IDVA's alternative education program, Insight School of Idaho (Insight), must increase its outcome on the Alternative Additional Graduates measure of the Commission's performance framework to **22%** by fiscal year 2025.
- Condition 2 proposal:
 - Update this:
 - IDVA's negotiated performance certificate shall include a maximum enrollment number not to exceed **2,700** students.
 - To this:
 - IDVA's negotiated performance certificate shall include a maximum enrollment number not to exceed **5,500** students.

Jeff also appreciates your willingness to listen. Please, make the proposed updates to the notification of recommendation and send us the third version, so we can share it with the rest of the board to get input. The December board meeting will be held December 12th, which is not too far in the future. If you could send the updated notification soon, we would, very much, appreciate that.

After receiving communications from me, you made a few corrections to our Annual Report New Framework. Thank you for that. I discussed some additional errors I found with Jared and also noted them to you when we talked Monday. To keep things straight, I have listed the errors and corrections out. There are still two corrections that need to be made in the new framework report and one in the old framework, and I highlighted those in yellow.

- **School Information chart error p. 1**
 - Edginton is misspelled under Annual Report FY21/22 and under Current: FY22/23. (not yet corrected)

Demographic summary title error p. 5

- Changed *IDVA Connections Academy* to *Idaho Virtual Academy* (version 3 of Annual Report)
- Annual Snapshot chart title errors p. 6
 - Changed *Inspire Connections Academy* and *Empower Connections Academy* to *Idaho Virtual Academy* and *Insight School of Idaho* (version 2 of Annual Report).
- Annual Snapshot Math and ELA Proficiency errors in Insight School of Idaho chart p. 6
 - Changed Math Proficiency from 50% to 19% and ELA Proficiency from 19% to 50% (version 2 of Annual Report)
- Annual Snapshot Insight School of Idaho College & Career Readiness-Additional Graduates error.
 - 33% needs to be changed to 18% (not yet corrected)
- ELA and Math Proficiency errors p. 13
 - Changed Insight's *N-Size* to <18% in Math Proficiency chart (version 2 of Annual Report)
 - Changed Insight - ELA Proficiency to Insight – Math Proficiency in Math Proficiency chart (version 3 of Annual Report)
 - Changed Insight's ,18% to <19% in Math Proficiency chart (version 3 of Annual Report)

Annual Report Old Framework errors.

- Operational 2a is exempted and shouldn't be, and 2c is not exempted and should be according to IDVA's current exemptions. (not yet corrected)

Will another updated version of the Annual Report New Framework draft be sent to us and an updated old framework draft, or should we use the *Annual Report Response Form* to submit those last corrections?

Thank you, again, and have a nice evening!
Kelly

Please see the attached revised notification of recommendation. After a deeper review of IRI data, IDVA did meet standard on the literacy proficiency measure; therefore, no condition is necessary. This condition has been removed from the document. The other conditions remain unaltered.

Please note that the due date for consent agreements or requests for formal hearings is December 15th. Please be sure that you have signed the appropriate form and returned it

to our office by end of business on December 15th.

Lastly - Kelly, can you give me a call when you get a chance? I'm available after noon today. Just want to make sure we are on the same page with annual report questions. I think you have a couple outstanding?

thank you.
