You too! I'm dropping in the updated new framework in a few with the fixed demographic data column. Have a great evening!

Hi Jared,

I downloaded the updated report, and thank you for this! It's nice to see some green in the Academic area.

Have a great evening!

Kelly

Hello Kelly, I've updated the Old Framework and am dropping a copy in ShareFile for you, and having our website updated. The Alternative Academic data was consolidated into the main longitudinal page instead of its own, but it wasn't included in the Accountability Designation chart. I've added that row to the chart. Let me know if you have any more questions about the old framework!

Also, I'm going to look into the new framework issue, as I don't recall seeing that in the response form. I'll try and get to it sometime today, but wanted to have some urgency for the old framework so you can post it.

Hi Jared,

I just noticed that our 2021 annual report does not include the longitudinal results for or alternative school. These results are on page 16 of our 2020 annual report. With the academic and financial frameworks being exempted, it doesn't make a ton of difference, but it does show that our alternative school was in good standing in the academic framework in SY 18/19, and that is a definite positive. Is it possible to get that page added to our 2021 final report?

Additionally, we used the annual report feedback from to submit the following feedback on the new framework report.

The issue was not corrected on our final new framework report. It isn't a huge deal, because we are using the old framework, but I believe the Commission will, likely, receive a copy, and it would be best if the copy is accurate.

Thank you,  
Kelly

All schools are exempt from financial measures this year, as the Commission made the decision last year based upon the unknowns of how the pandemic was going to effect schools' financial standings. The

data is included in the report, but the rating displays as N/A for each school. Let me know if you have any questions about this. Thank you!

Good morning, Jared,

I appreciate you looking it over and adjusting the report. I understand our school is exempt from all but 1d of the financial framework measures, but every other year, IDVA has been listed as Honor status for the financial framework. Nothing has changed, so why is it listed as N/A this time?

Thank you,

Kelly

Alright, we've identified the problem and fixed it -- the scorecard was counting the exempt measures. Operational score is now at 100%. Longitudinal issues are now resolved as well, and the updated PDF for the old framework is in ShareFile. Enjoy the weekend, Kelly, and let me know if there's anything else we need to look at when you get back!

Hello Kelly, Jenn forwarded me your message, and I just wanted to touch base and let you know I'm taking a look at it. I know you said you're off today, but I'll shoot you a follow-up email once I sort through what we're looking at here. Have a great weekend, and thank you for your patience!
