

**BEFORE THE IDAHO PUBLIC CHARTER SCHOOL COMMISSION  
STATE OF IDAHO**

In the Matter of the Charter Renewal for:

Case No. 22-52506

IDAHO VIRTUAL ACADEMY.

**NOTICE AND ACKNOWLEDGMENT OF  
COMMISSION DIRECTOR'S  
RECOMMENDATION FOR RENEWAL  
OF CHARTER WITH CONDITIONS**

Pursuant to Idaho Code section 33-5209B, the Director of the Idaho Public Charter School Commission ("Commission") recommends that the charter for Idaho Virtual Academy ("IDVA") be renewed for a five-year term, provided that IDVA agrees to comply with the conditions listed below in Section I.

Upon its review of the Director's recommendation, IDVA may agree to accept the recommendation as presented below, or IDVA may ask for an administrative hearing to contest the Director's recommendation.

If IDVA agrees to accept the Director's recommendation as presented below, an authorized representative of IDVA must complete the Consent Agreement, attached to this Notice as Attachment A, and return it to the Director **by no later than December 15, 2022** to the following address:

Jenn Thompson, Director  
Idaho Public Charter School Commission  
514 W. Jefferson St., Ste. 303  
Boise, Idaho 83720  
jenn.thompson@osbe.idaho.gov

If IDVA does not accept the Director's recommendation as presented herein and wishes to have an administrative hearing before the Commission, an authorized representative of IDVA must

complete the Request for Administrative Hearing, attached to this Notice as Attachment B, and return it to the Director **by no later than December 15, 2022** to the address provided above.

If IDVA does not complete either the Consent Agreement or the Request for Administrative Hearing and return it to the Director **by December 15, 2022**, IDVA's inaction will be interpreted as a request for an administrative hearing for conditions not accepted.

#### **I. DIRECTOR'S RECOMMENDATION TO RENEW WITH CONDITIONS**

The Director recommends that IDVA's charter be renewed subject to the following conditions:

1. Condition 1: IDVA's alternative education program, Insight School of Idaho (Insight), must increase its outcome on the Alternative Additional Graduates measure of the Commission's performance framework to 24% by fiscal year 2025. Since the corresponding data will be evaluated on or before November 15, 2025, the date by which this condition must be met is November 15, 2025.

Insight's fiscal year 2022 outcome on the Alternative Additional Graduates measure was 18%. This was 15% below the two-year average outcome of all Commission authorized alternative programs. Achieving a 24% outcome on this measure by 2025 would reflect that this program is on-track to meet standard by the end of the next performance certificate term. The Alternative Additional Graduates measure is defined in the performance framework and shall be incorporated into IDVA's 2023-2028 performance certificate.

2. Condition 2: IDVA's negotiated performance certificate shall include a maximum enrollment number not to exceed 2,700 students. However, IDVA will be permitted to request an increase in this enrollment number through the charter revision process. The purpose of this condition is to ensure budget predictability for all schools and to ensure that emergency growth decisions are made by the appropriate entity. This condition must be met by July 1, 2023.

3. Condition 3: IDVA is no longer “exempt from some or all measures within the financial portion of the Performance Framework,” as stated in IDVA’s 2018-2022 performance certificate. The purpose of this condition is to ensure that the public has access to an annual performance report that provides complete and transparent information about IDVA’s financial outcomes. This condition must be met by July 1, 2023.

Pursuant to Idaho Code section 33-5209C(7), if a school’s charter is renewed with conditions and the school subsequently fails to meet any one of those conditions by the specified dates, the school’s charter may be revoked by the Commission. The revocation procedure is described in subsections (7) and (8) of Idaho Code section 33-5209C and IDAPA 08.02.04.303.

Dated this 28th day of November, 2022.
