## Information about the Request We Received

We've enclosed the transcript that you requested on November 28, 2022, for the tax period listed above.

To protect personally identifiable information for both Individuals and Businesses, transcripts only display partial personal information. For example, only the last four digits of the taxpayer's Social Security Number and last four digits of the business' Employer Identification Number are displayed. Full financial and tax information is displayed, such as wages, assets, and income.

An account transcript shows a summary of the tax return and subsequent actions taken. These actions could include filing an amended return and payments made.

If you have any questions, Individuals can call 800-829-1040 and Businesses can call 800-829-4933.

## Information about the Request We Received

We've enclosed the transcript that you requested on November 28, 2022, for the tax period listed above.

To protect personally identifiable information for both Individuals and Businesses, transcripts only display partial personal information. For example, only the last four digits of the taxpayer's Social Security Number and last four digits of the business' Employer Identification Number are displayed. Full financial and tax information is displayed, such as wages, assets, and income.

An account transcript shows a summary of the tax return and subsequent actions taken. These actions could include filing an amended return and payments made.

If you have any questions, Individuals can call 800-829-1040 and Businesses can call 800-829-4933.

## Information about the Request We Received

We've enclosed the transcript that you requested on November 28, 2022, for the tax period listed above.

To protect personally identifiable information for both Individuals and Businesses, transcripts only display partial personal information. For example, only the last four digits of the taxpayer's Social Security Number and last four digits of the business' Employer Identification Number are displayed. Full financial and tax information is displayed, such as wages, assets, and income.

An account transcript shows a summary of the tax return and subsequent actions taken. These actions could include filing an amended return and payments made.

If you have any questions, Individuals can call 800-829-1040 and Businesses can call 800-829-4933.

## Information about the Request We Received

We've enclosed the transcript that you requested on November 28, 2022, for the tax period listed above.

To protect personally identifiable information for both Individuals and Businesses, transcripts only display partial personal information. For example, only the last four digits of the taxpayer's Social Security Number and last four digits of the business' Employer Identification Number are displayed. Full financial and tax information is displayed, such as wages, assets, and income.

An account transcript shows a summary of the tax return and subsequent actions taken. These actions could include filing an amended return and payments made.

If you have any questions, Individuals can call 800-829-1040 and Businesses can call 800-829-4933.
