IPCSC Agency News and Updates

On behalf of the IPCSC, we want to first wish you all a safe and happy holiday season. As we come to the end of the year, we reflect on all that 2023 had to offer. We want to thank our school board leadership, school administrators and staff for all the work you've accomplished this year. Enjoy your holiday break, it is well deserved!

With the new year approaching also comes the IPCSC's evaluation of the previous school year. The IPCSC will release a school's final annual performance report in January 2024, under each school's page on our website.

To learn more charter school annual performance, please review the "IPCSC Schools" tab on our website and select the specific school you'd like to learn more about. We appreciate all the effort our schools put into this year in providing educational opportunities for Idaho students to succeed.
