TAB 2: PROPOSED OPERATION: Ref. Idaho Code § 33-5205(4)

NOTE: If at any time parents, staff, or students have issue with policies set forth hereafter, they are to proceed through NVA's Uniform Grievance Procedure as follows:

Uniform Grievance Procedure

All individuals should use this grievance procedure if they believe that the Board, its employees, or agents have violated their rights guaranteed by the state or federal constitution, state or federal statute, or Board policy.

NVA will endeavor to respond to and resolve complaints without resorting to this grievance procedure and, if a complaint is filed, to address the complaint promptly and equitably. The right of a person to prompt and equitable resolution of the complaint filed hereunder will not be impaired by the person's pursuit of other remedies. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies, and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies.

Level 1: Informal

An individual with a complaint is encouraged to first discuss it with the teacher, counselor, or building administrator involved, with the objective of resolving the matter promptly and informally. An exception is that complaints of sexual harassment should be discussed with the first line administrator that is not involved in the alleged harassment.

Level 2: Principal

If the complaint is not resolved at Level 1, the grievant may file a written grievance stating: 1) the nature of the grievance and 2) the remedy requested. It must be signed and dated by the grievant. The Level 2 written grievance must be filed with the Principal within sixty (60) days of the event or incident, or from the date the grievant could reasonably become aware of such occurrence.

If the complaint alleges a violation of Board policy or procedure, the Principal shall investigate and attempt to resolve the complaint. If either party is not satisfied with the Principal decision, the grievance may be advanced to Level 3 by requesting in writing that the Board review the Principal's decision. This request must be submitted to the Board within fifteen (15) days of the Principal's decision.

If the complaint alleges a violation of Title IX, Title II, Section 504 of the Rehabilitation Act, or sexual harassment, the Principal shall turn the complaint over to the Special Education/Special Programs Director, who will also serve as Nondiscrimination Coordinator, who will investigate the complaint. NVA will appoint Nondiscrimination Coordinators to assist in the handling of discrimination complaints. The Coordinator will complete the investigation and file the report with the Board within thirty (30) days after receipt of the written grievance. The Coordinator may hire an outside investigator if necessary. If the Board agrees with the

recommendation of the Coordinator, the recommendation will be implemented. If the Board rejects the recommendation of the Coordinator, and/or either party is not satisfied with the recommendations from Level 2, either party may make a written appeal within fifteen (15) days of receiving the report of the Coordinator to the Board for a hearing.

### Level 3: The Board

Upon receipt of a written appeal of the decision of the Principal, and assuming the appeal alleges a failure to follow Board policy, the matter shall be placed on the agenda of the Board for consideration not later than their next regularly scheduled meeting. A decision shall be made and reported in writing to all parties within thirty (30) days of that meeting. The decision of the Board will be final.

An organizing group of founders have written the initial petition for a Charter for NVA and have recruited and appointed an initial Governing Board of Directors, hereafter referred to as the Board. The founders will continue to be a data gathering entity, recommending curriculum, teaching instruction, professional development and/or daily operations that will reflect the vision, purpose and mission of NVA to the NVA Board. Additional founding members may be recruited prior to the official opening of the first school year in order to accomplish the goals of NVA. This group will remain as advisors to the Board. The number of founding families is anticipated not to exceed ten families.

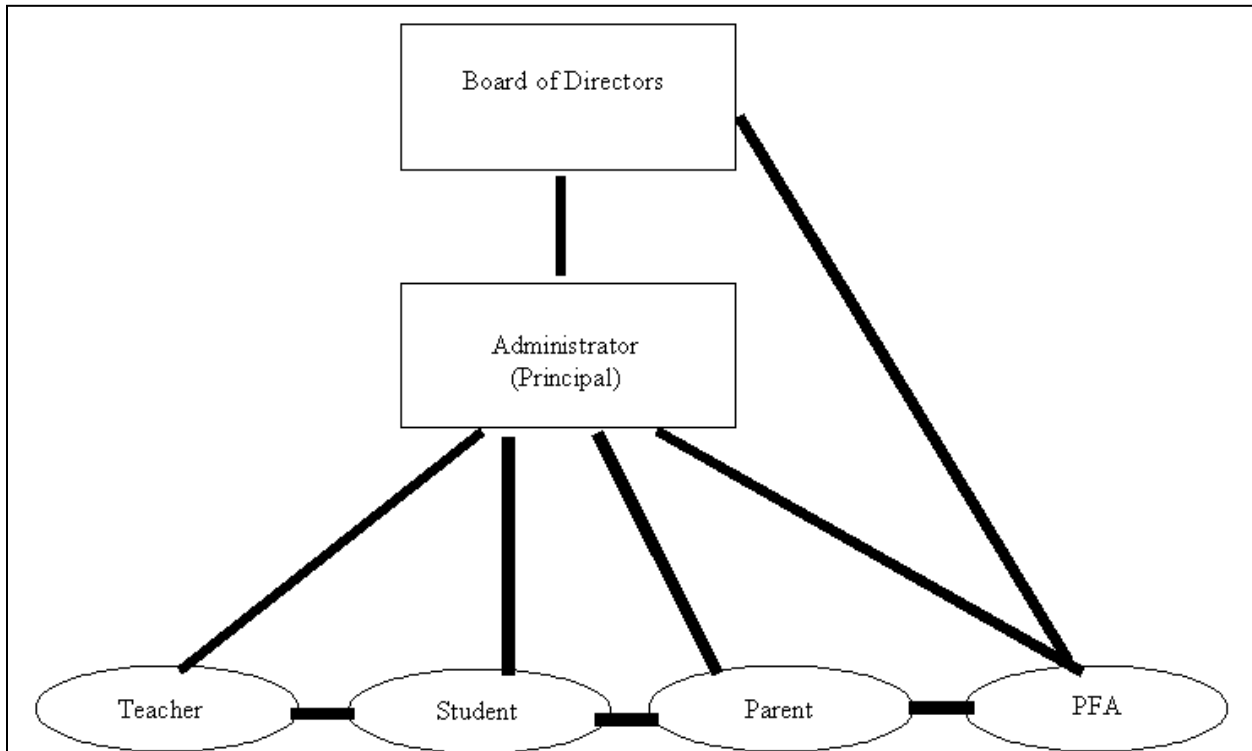

The Board, as a Board, will have the full power and duty to manage and oversee the operation of the Corporation's business and to pledge the credit, assets, and property of the Corporation when necessary to facilitate the efficient operation thereof. Authority is given to NVA Board by the State of Idaho as provided in the "Public Charter Schools Act of 1998." (I.C. 33-5204) The Governing Body will adhere to the NVA Corporate Bylaws (specifically Articles 5 and 8) addressing the Idaho Open Meeting Law.

Upon approval, members of the Board are deemed public agents to control NVA. The Board has all the power and duties afforded to a board of directors. NVA will be considered a public school for all purposes and, as such, will be responsible to identify and comply with all statutory

requirements affecting the operation of a public school. Therefore, upon approval, the Board will follow the open meeting laws, keep accurate minutes, and make said minutes available to the public.

NVA will function as a non-profit organization, organized and managed under the *Idaho Nonprofit Corporation Act*, as outlined in NVA’s Corporate Bylaws and Articles of Incorporation. Accordingly, the organizational flow chart representing the flow of information and the chain of command is as follows:

Tab 2, Table 1.

The flow chart above includes, but is not limited to, the following details:

1. The Board, as a Board, will have the full power and duty to manage and oversee the operation of the Corporation’s business.
2. The Board will have the responsibility to approve the selection of the school Principal, who may not be one of its members. The Board also will be responsible for hearing, and approving or disapproving, the recommendations of the school Principal with respect to changes in staffing, programs, or curriculum.
3. The Board and Parent-Faculty Association (PFA) (Hereafter, the term “parent” will be used to represent parents, legal guardians, or other persons legally responsible for NVA students.) of NVA may provide consultation to the Principal/Designee regarding ongoing plans for the school.
4. The Board will, when necessary, adjudicate disagreements between parents and the administration.

Tab 2, Table 1, Cont'd.

<p>5. The Principal/Designee represents the Board as the liaison between the Board and NVA community.</p> <p>6. A committee, not to exceed four (4) members, comprised of the Principal/Designee and representatives of the Board and faculty will be responsible for hiring elementary (grades 1-6) teachers. A committee, not to exceed six (6) members, comprised of the Principal/Designee and representatives of the board and faculty will be responsible for hiring teachers for grades 7-12.</p> <p>7. The Principal supervises, directly or indirectly, all employees of NVA.</p> <p>8. The administrative staff's primary functions will be management of NVA and facilitation of the implementation of a quality educational program. It is the goal of the Board that the administrative organization:</p> <ul style="list-style-type: none"> <li>a. provide for efficient and responsible supervision, implementation, evaluation, and improvement of the instructional program, consistent with the policies established by the Board;</li> <li>b. provide effective and responsive communication with staff, students, parents, and other citizens; and</li> <li>c. foster staff initiative and rapport.</li> </ul> <p>9. NVA's administrative organization will be designed so that all divisions and departments are part of a single system guided by Board policies which are implemented through the Principal. Other administrators are expected to administer their facilities in accordance with Board policy and the Principal's rules and procedures.</p>

1. *Target Population*

North Valley Academy (NVA) plans to open in the fall of 2008 with grades kindergarten through eighth. NVA plans to open a high school for students in grades nine through twelve in the fall of 2009. Residents of Gooding School District will be the primary target population. Update: NVA opened in the fall of 2008 to grades K-8, and began offering classes to students in grades 9-12 beginning with the 2009-2010 school year.

2. *School Size* (See Also, Tab 10)

For the purposes of clarity, in this revision of the charter, NVA is proposing two amendments that will impact enrollment. The first is an increase in the face-to-face enrollment cap. Currently all grades (K-12) have a student enrollment cap of 24 students. The proposal is an increase as follows:

Tab 2: Proposed Operation

<b>Proposed Face-to-Face Enrollment Caps</b>		
Elementary Grades	Maximum Enrollment	Total Students
K-1	24	48
2-3	26	52
4-6	28	84
<b>Total Elementary Students</b>		<b>184</b>
Secondary Grades	Maximum Enrollment	Total Students
7-12	30	<b>180</b>
<b>Total Face-to-Face Students</b>		<b>364</b>

NVA will remain relatively small with a total capacity of 364 face-to-face students: 184 students in grades K-6 and 180 in grades 7-12. We believe that students benefit from a small school setting. (See Tab 8, Section A, Item 3c, Appendix W, and Appendix Y for results of market research conducted to document support of NVA.) The following is another representation of the first proposed enrollment increase:

North Valley Academy Face-to-Face Maximum Enrollment Capacity															
Year	Grades	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
2011-2012	K-12	24	24	26	26	28	28	28	30	30	30	30	30	30	364
2012-2013	K-12	24	24	26	26	28	28	28	30	30	30	30	30	30	364

The second amendment pertains to NVA’s blended course offerings. NVA wishes to establish an enrollment cap of no more than six (6) students per grade in the blended program, which is by definition:

Enrollment in the minimum number of online courses required to meet the hourly ADA requirements for half-day attendance set forth by the Idaho State Department of Education, **and** a requirement to participate in courses and activities at school.

<b>Proposed Blended Program Student Enrollment Cap</b>		
All Grades	Maximum Enrollment Per Grade	Total Students
K-12	6	↓
<b>Total Blended Program Students</b>		<b>78</b>
<b>Total Proposed Maximum Enrollment Cap, Including Blended Program Students</b>		<b>442</b>

NVA anticipates a minimum startup enrollment of ten (10), full-time, blended program students in grades K-12 no sooner than January 2012. (See Also, Tab 10)

NVA Anticipated Blended Program Enrollment FY12*					
	Grades				Total
	1-3	4-6	7-8	9-12	
No. of Students	1	3	2	4	10
*Enrollment per grade is a guestimate. Actual enrollment may vary across the grades, but will not exceed the approved cap.					

NVA has budgeted for the anticipated ten (10) blended students for the second half of FY12, or beginning January 2012, and twenty (20) blended students for FY13 and FY14 each (See Appendix AE). These numbers represent NVA’s best guestimate as to the number of students who may enroll in our blended program.

**II. Facilities:** Ref. Idaho Code § 33-5205(4)

The Board recognizes the importance the physical plant plays in enhancing the instructional program. The goal of NVA is to provide a facility in a convenient location that will both ensure the safety and enhance the education of our students. All sites will be considered based on factors such as safety, diversity of the immediate surrounding neighborhoods, access to major utilities, convenience for transportation, and affordability. The Board will develop a program to maintain and/or upgrade the buildings and grounds of NVA.

NVA’s Board has finished negotiations with the Idaho School for the Deaf and the Blind. We have been meeting with Interim-Superintendent Mary Dunne for several months and have a Letter of Intent to utilize existing buildings and other facilities sufficient for our needs. (See Appendices) We look forward to a long and innovative relationship with the staff and students at ISDB. Update: NVA purchased the former Gibbons Elementary Building from the Gooding School District in December of 2009. The building meets all of the requirements outlined above.

**A. Operation and Maintenance of Charter School Facilities**

NVA seeks to maintain and operate facilities in a safe and healthful condition. The operation of NVA’s facilities will be the responsibility of the Principal/Designee. The Principal/Designee, in cooperation with the fire chief and county sanitarian, will periodically inspect plant and facilities. S/he will provide for a program to maintain NVA’s physical plant by way of a continuous program of repair, maintenance, and reconditioning. Budget recommendations will be made each year to meet these needs and any such needs arising from an emergency.

**B. Proof of Insurances**

Copies of the initial insurance binders from a company authorized to do business in Idaho for a liability policy, a property loss policy, health insurance, worker’s compensation insurance, and unemployment insurance will be provided to the Authorized Chartering Entity no later than thirty (30) days prior to the opening of school, and thereafter thirty (30) days before the expiration of the insurance policies.

**III. Administrative Services:** Ref. Idaho Code § 33-5205(4)

A. Instructional Organization

1. *School Fiscal Year*

The fiscal year of the school is from July 1 to June 30.

2. *School Calendar*

The Board will establish the dates for opening and closing classes, teacher in-services, the length and dates of vacation, and the days designated as legal school holidays. The proposed school year is commencement after Labor Day and dismissal before Memorial Day. This schedule will be reviewed on an annual basis and may be changed, as necessary, by the Principal in consultation with the Board.

3. *Holidays/Commemorative Day*

School holidays will include New Year’s Day, Thanksgiving Day, and Christmas Day.

For those commemorative days that fall on a school day, the teachers and students will devote a portion of the day on each such day designated in I.C. § 73-108.

4. *Instructional Hours*

The Board will provide the minimum number of instructional hours for students at each grade level as follows:

Grades	Hours
K	450
1-3	810
4-8	900
9-12	990

5. *PIR Days*

Not more than twenty-two (22) hours may be utilized for in-service teacher activities. NVA is considering school wide in-service Monday mornings from 8:00 to 9:00 a.m.

6. *Records Management*

The Secretary and/or Clerk will be the custodian of records under the supervision of the Principal/Designee.

Personnel files and student files are confidential and will be disclosed only as provided in policy and/or by law. A record of persons examining/copying personnel files or student files, other than administrative staff, will be kept for each employment file and student file.

All public records will be provided to the public in accordance with the Family Educational Rights and Privacy Act (FERPA), laws of the State of Idaho, and NVA policy.

#### *7. Non-Instructional Operations*

##### Contractor License, Surety Bonds, and Insurance

The school may hire staff or contract with a service provider for services such as transportation, food service, accounting, business management, or other business or educational services. All contract service providers are required to have adequate limits of liability insurance as determined by the Board or other state requirement and will maintain the same throughout any contract period.

A list of all contracts identifying the party with whom NVA has contracted, the length of the contract, and the expenditures required by the contract must be submitted to the Authorized Chartering Entity for its review no later than thirty (30) days prior to the opening of school and thereafter, annually.

No contract will be let to any contractor who is not licensed as required by the laws of Idaho. Before any contract is awarded to any person, such person will furnish to NVA performance and payment bonds that will become binding upon award of the contract to a contractor as follows:

- a. Performance bonds in an amount not less than eighty five percent (85%) of the contract amount for the sole protection of NVA; and
- b. Payment bond in an amount less than eighty five percent (85%) of the contract amount for the protection of persons supplying labor or materials, or renting or otherwise supplying equipment to the contractor and/or his subcontractors in the prosecution of the work performed under the contract.

#### **IV. Potential Civil Liability:** Ref. Idaho Code § 33-5205(4) & 33-5204(4)

NVA will obtain its own liability insurance and insure its Board, employees, contents, equipment, and fixtures against injury, damage, or loss. Additionally, both the facility provider and NVA will insure their respective interests against damage and for liability exposures with minimum limits of liability of not less than \$1,000,000 per person, \$5,000,000 aggregate or such limits as imposed by the State requirement or as otherwise determined by the Board. All such insurance policies will name NVA as an additional insured and provide for at least ten (10) days written notice prior to cancellation. The facility provider and NVA will provide to each other certificates of insurance prior to the commencement date of facility occupancy evidencing such coverage.

Pursuant to Idaho Code § 33-5204(2), the Authorizing Chartering Entity shall have no liability for the acts, omissions, debts, or other obligations of NVA, except as may be provided in the Charter.

NVA will operate its business in conformance with all local, state and federal environmental laws.

Specific documentation of the above outlined requirements will be contained in the respective insurance policies negotiated with the insurance providers.

## **I. Educational Programs and Services**

In all program areas and at all levels, NVA will assess student progress toward achieving learner goals and program area performance standards including: the content and data; the accomplishment of appropriate skills; the development of critical thinking and reasoning; and attitude. NVA will use assessment results to improve the education program, and use effective and appropriate tools for assessing such progress. This may include, but is not limited to: standardized tests; criterion-referenced tests; teacher-made tests; ongoing classroom evaluation; actual communication assessments such as writing, speaking, and listening assessments; samples of student work and/or narrative reports passed from grade to grade; samples of students' creative and/or performance work; and surveys of carry-over skills to other program areas and outside of school. This will accomplish NVA's goal for all students to meet, at a minimum, the standards established by the state.

NVA's Board and Principal will establish a school philosophy embraced by teachers, students, and parents that supports the belief that every student is valued and every student will succeed at a high level both socially and academically. The character education plan will result in a safe school infused with positive peer pressure, students who are ready to learn every day, and who possess the self-discipline needed to maximize the educational experiences of themselves and others.

Styles and rates of learning are taken into account, yet expectations for achievements are not compromised. Once again, when there is low threat of physical and/or emotional harm, and academic content is highly challenging, accelerated learning will take place, and the results will be outstanding!

## **II. Educational Thoroughness Standards**

NVA will achieve the Thoroughness Standards (as defined in section 33-1612, Idaho Code) through its basic curriculum, which include character education, foreign language, music, and community, school, and family service projects.

### **A. Standard A**

A safe environment conducive to learning is provided.

1. *Goal.* Maintain a positive, safe, and orderly teaching and learning environment that will promote student respect for themselves and others.

Each student has the right to come to school without fear of taunting, teasing, or violence. Each parent has the right to expect the school to provide a safe, supportive learning environment for his/her student. The philosophy of NVA is grounded in the belief that when there is low threat of physical or mental harm and curricular content is highly challenging,

accelerated learning takes place. NVA will create a safe environment with a unique curriculum that focuses on education while developing qualities such as kindness and tapping into each student's innate need to know boundaries while protecting their dignity.

2. *Objectives.* NVA will:

- a. Provide facilities that are inspected as required and adopt policies that meet all required city, county, state, and federal health, accessibility, safety, fire, and building codes for public schools to ensure the safety of students and staff.
- b. Establish, publish, and enforce policies that define acceptable and unacceptable behavior, including zero tolerance for weapons, violence, gangs, and use or sale of alcohol and drugs.
- c. Create an environment that encourages parents and other adults to visit the school and participate in the school's activities. There will be an advertised visitation day.
- d. Develop a staff/student handbook to provide rules and guidelines for physical safety. These guidelines will include, and not be limited to, the procedures for fire drills, reporting unsafe equipment, methods for checking students in and out of school, notification of parents' rights, and staff monitoring responsibilities.

B. Standard B

Educators are empowered to maintain classroom discipline. Each staff member has the right to teach without fear of violence, and students have the right to learn with the same privilege.

1. *Goal.* Create a positive teaching and learning environment with an emphasis on high expectations of performance and behavior.

The atmosphere created by our focus on kindness allows teachers to teach without fear of harassment from students, parents, and the public. In addition, teachers will enjoy a greater level of interaction with students as students will not be afraid to take academic risks, like asking or answering questions in front of peers because everyone feels safe and supported. Fear will not detract from teaching or learning. The result is a culture that is warm and friendly, filled with mutual respect, orderly, and free from chaos.

2. *Objectives.* NVA will:

- a. Develop a student handbook providing a code of conduct including clear expectations with consequences for unacceptable behavior, and a process for teachers to handle minor and major infractions in the classroom setting.
- b. Teach appropriate behaviors and foster responsible decision-making skills by using programs, which may include, Ron Clark's "Essential 55", "Excellent 11", and "Great Expectations".

- c. Establish and maintain rules to be used consistently throughout the school.

#### C. Standard C

The basic values of honesty, self-discipline, unselfishness, respect for authority, and the central importance of work are emphasized.

1. *Goal.* Offer opportunities for students to develop and express exemplary character traits in concert with the overall educational program.
2. *Objectives.* NVA will:
  - a. Emphasize the importance of adults modeling important values at school. This is done through expectation training in which teachers clearly illustrate and define what kindness looks like before students have a chance to be unkind. Daily procedures are designed to support the school's emphasis on kindness.
  - b. Help students build personal bonds and carry out responsibilities to one another and to the faculty and staff by providing opportunities for and strongly encouraging age-appropriate school and community service hours. Students who display kindness and good citizenship are given special recognition. This will develop a sense of community and service within the school and between the school and the larger community.
  - c. Evaluate and report service hours to student advisors because community service instills a sense of individual, social, and civic responsibility and enables the student to use newly-gained knowledge to solve community problems.

#### D. Standard D

The skills necessary to communicate effectively are taught.

1. *Goal.* Teach students a range of effective communication skills.
2. *Objectives.* NVA will:
  - a. Emphasize meaningful language experience in reading, writing, and spelling, enhanced by dramatization and memorization. This will be measured through weekly evaluations.
  - b. Provide an age-appropriate technology curriculum that supports development of a variety of communication skills, including written and verbal.
  - c. Provide instruction in a foreign language in grades K-8 as budget permits. Knowledge of a second language is essential in many occupations. In addition, knowledge of a second language boosts English proficiency, improves memory and self-discipline, and enhances verbal and problem-solving skills. Once NVA offers grades 9-12, students in those grades

will be highly encouraged to enroll in dual credit with other secondary and post-secondary institutions for advanced Spanish.

- d. Provide instruction in music, dance, and art as budget permits. Students will build skills needed for dual enrollment in these areas.

#### E. Standard E

A basic curriculum necessary to enable students to enter academic or professional-technical post-secondary educational programs is provided.

1. *Goal.* Develop an educated citizenry through a dynamic, interactive, academic program where pacing is driven by student capabilities rather than textbooks.

Students must be well grounded in the basics such as reading, writing, mathematics, science, and social studies.

2. *Objectives.* NVA will:

- a. Use the Idaho State Department of Education's Standards as a starting point to be enhanced by the Core Knowledge® Sequence and other creative methods.
- b. Use a variety of methods to ensure student learning, including, but not limited to, the Core Knowledge® Sequence.
- c. Emphasize environmental responsibility by providing students with opportunities for voluntary, age-appropriate service opportunities. Service hours may be required in school organizations.
- d. Use field trips and career development discussions, particularly encouraging patriotism, as appropriate. (The school mascot is "Patriots.")

#### F. Standard F

The skills necessary for the students to enter the workforce are taught.

1. *Goal.* Provide students with basic skills that prepare them for future employment.

By using learning tools such as computers, scientific equipment, and networks linked to local and nationwide resources, students learn how to be life-long learners and will be prepared to enter the workforce with a solid foundation of knowledge and skills. As NVA expands into grades 9-12, we will provide academies with class requirements and standards articulated with other secondary and post-secondary institutions, such as College of Southern Idaho, with whom we plan dual credit. (See Also, Tab 3, IV, F)

2. *Objectives.* NVA will:

- a. Provide a strong foundation in basic reading, writing, science, social studies, and computational skills.
- b. Provide a technology-rich environment, encouraging the effective use of technology as a tool in the workplace.
- c. Enable students to develop the following intellectual habits important in the work place: adapting to new situations and responding effectively to new information, solving problems, and locating and evaluating information from a variety of sources.

**III. Educated Person:** Ref. Idaho Code § 3305205(3)(a)

**A. Definition of an “Educated Person”**

NVA will provide an environment in which students can become an educated citizenry through a dynamic, interactive, academic program with a tempo set by student capabilities, not textbooks. Students will be competent in the basics, such as, reading, writing, math, science, and social studies. They will also have opportunities to become well-rounded learners with training in technology, fine arts, and foreign language.

NVA’s educational program will seek to provide an opportunity for each student to develop to his or her maximum potential. The objectives for the educational program are, among other things, to:

1. Foster self-discovery, self-awareness, and self-discipline;
2. Develop an awareness of and appreciation for cultural diversity;
3. Stimulate intellectual curiosity and growth;
4. Provide fundamental career concepts and skills;
5. Help the student develop sensitivity to the needs and values of others and respect for individual and group differences;
6. Help each student strive for excellence and instill a desire to reach the limit of his or her potential;
7. Develop the fundamental skills which will provide a basis for lifelong learning; and
8. Be free of any cultural, ethnic, sexual, or religious bias.

**B. Methods of Instruction**

All courses of instruction will comply with state statutes and the rules of the Idaho State Board of Education.

1. Traditional Face-to-Face Instruction

- a. Traditional face-to-face teaching means a course taught by a person who holds a certificate pursuant to Sections 33-1201 and 33-1207, Idaho Code, and where the students and teachers are not separated by distance or time.
- b. Teachers will be engaged in the act of face-to-face throughout the day using a variety of proven teaching techniques including: tactile, visual, kinesthetic, auditory, group, and independent approaches. By taking into account and addressing the varying developmental rates and learning modalities of the student population, it is possible through this direct-teaching and monitoring approach to keep curricula challenging and the expectations for learning high.

2. Blended Program: Ref. Idaho Code 33-5702(1) (See Also, Tab 10)

- a. "Blended program" participants must enroll in the minimum number of online courses required to meet the hourly ADA requirements for half-day attendance set forth by the Idaho State Department of Education, **and** will also be required to participate in courses and activities at school. There they will receive instruction in character education and take offered electives from NVA teachers. This instruction will be overseen and monitored by the Principal/Designee.
- b. All blended program students will be required to attend either the "Rise and Shine" ceremony for K-6 students or the "Above and Beyond" ceremony for 7-12 students. Students will arrive on time and in dress code for these events. All blended program students must participate in at least one whole school event per trimester.
- c. Blended program students will be invited to all whole school events, i.e., assemblies, field trips, academic fair, Christmas program, Spelling Bees, Geography Bees, etc.
- d. All blended program students are eligible to participate in NVA extracurricular activities.

**IV. Curricular Emphasis**

A. How Learning Best Occurs: Ref. 33-5205(3)(a)

The curriculum will reflect our belief that learning best occurs when:

1. Students are actively engaged in integrated and meaningful tasks;
2. Students see the connection between what they learn and the real world;
3. Students work individually and as members of a group;

4. Students, parents, and educators work together to identify academic and personal learning goals, support;
5. Students accept responsibility for learning as an intrinsic part of the educational program;
6. Students are supported by mentors and advocates;
7. All students have advanced learning opportunities;
8. Students see themselves as part of the community and find ways to serve the community;
9. Students are allowed to make mistakes in order to achieve success;
10. A positive and productive learning environment is provided; and
11. Students are given time to reflect on the value and purpose of what they learn.

The Board is responsible for curriculum adoption and must approve all significant changes, including the adoption of new textbooks and new courses, before such changes are made. The Principal and teachers are responsible for making curriculum recommendations. The curriculum will be designed to accomplish the learning objectives and goals for excellence consistent with NVA's educational philosophy, mission statement, objectives, and goals.

#### B. Core of Instruction

Instruction is inclusive of subject matter content and course offerings. Patterns of instructional organization will be determined by a qualified School Administrator and teaching team. NVA will assure students meet the school standards with the state standards as a minimum. This includes special instruction that allows Limited-English Proficient students to participate successfully in all aspects of the school's curriculum and keep up with other students in the standard education program. It also includes special learning opportunities for accelerated, learning disabled students, and students with other disabilities.

#### C. Remediation

Evaluation of progress assessment data could prompt additional help that could include in-class remediation, tutoring, or evaluation for Special Education services. Data indicators include, but are not limited to:

1. Not reaching grade level on state adopted standardized tests;
2. Reading below grade level as determined by IRI in grades K – 3; grades 4 – 12 teachers will use multiple sources of data such as classroom grades, fluency checks, comprehension checks, and/or computerized programs to determine a student's reading level; and/or

3. Failure to do math at grade level as determined by program assessments and/or on state adopted standardized tests.

#### D. Instructional Methodologies

All curriculum taught at NVA will be reviewed and approved by NVA's Board.

##### 1. *Ron Clark's, "Essential 55"*

NVA may utilize Ron Clark's, "Essential 55," which among other things enables students to develop the following important life skills: accepting responsibility for personal decisions and actions; honesty, courage, and integrity; a healthy lifestyle; empathy, courtesy, and respect for differences among people; self-confidence; concentration and perseverance; responsible time management; assuming a fair share of the work load; and working cooperatively with others to reach group consensus. NVA will strongly encourage every parent to read the book. This will familiarize them with Clark's code of conduct and methodologies, which will be used by teachers.

##### 2. *Great Expectations*

NVA will utilize *Great Expectations*, which is a professional development program that:

- a. provides teachers and administrators with the skills needed to create harmony and excitement within the school atmosphere;
- b. creates an infrastructure that promotes improved student self-esteem, attendance, discipline, and parent participation - all of which result in improved academic achievement; and
- c. is grounded in the belief that all students can learn, no matter what labels have been placed on them.

##### 3. *Cowboy Ethics*

NVA may utilize *Cowboy Ethics*, by James P. Owens, which is a character education program that is dedicated to the belief that everyone needs a code or creed to live by:

- a. live each day with courage;
- b. take pride in your work;
- c. always finish what you start;
- d. do what has to be done;
- e. be tough, but fair;
- f. when you make a promise, keep it;
- g. ride for the brand;
- h. talk less and say more;

- i. remember that some things aren't for sale; and
- j. know where to draw the line.

4. *Blended Curriculum* (See Tab 10)

E. Instruction Courses

At appropriate grade levels, instruction will include, but not be limited to, the following:

1. Language Arts and Communication will include instruction in reading, writing, English, literature, technological applications, spelling, speech, and listening;
2. Mathematics will include instruction in addition, subtraction, multiplication, division, percentages, mathematical reasoning, and probability;
3. Science will include instruction in applied sciences, earth and space sciences, physical sciences, and life sciences; and
4. Social Studies will include instruction in history, government, geography, economics, current world affairs, citizenship, and sociology.

NVA may use the unique aspects of the Core Knowledge® Sequence to meet or exceed all Idaho State Standards and benchmarks.

The Core Knowledge® Sequence will expose students in each grade to a broad range of historical, scientific, and cultural topics that will build on one another to prepare them for later educational success. This wide array of subject matter will not only develop cultural literacy but also will build the strong vocabulary necessary for *true* reading comprehension.

Core Knowledge® tries to develop cultural literacy in a way that is systematic but leaves room for creativity for both teacher and student. This curriculum eliminates the gaps and repetition that characterize a curriculum in which textbooks and programs are selected more or less at random.

F. Grading Procedures

NVA students will be required to meet established academic standards and graduation requirements adopted by the Board, reference IDAPA 08.02.03.105. (See Tab 3, V, 5 and D. for grading procedures for students enrolled in Special or Alternative Programs.)

NVA will utilize a report card developed by the teachers and Principal to indicate growth as well as achievement. All NVA students will be evaluated on the same platform so parents will be able to detect whether their student is growing in each academic area throughout the year. Students with limited language will be gaining growth tools so their evaluation will typically reflect growth more than achievement.

G. Other Required Instruction

1. *Grades K-8*

- a. Other instruction
  - Fine Arts (art and music)
  - Health (wellness)
  - Physical Education (fitness)
- b. Additional instructional options as determined by NVA may include:
  - Foreign Language (Spanish)

2. *Plan for Dual Enrollment Participation*

Students enrolled in NVA will be allowed to participate in dual enrollment with traditional public schools as required by Idaho Code 33-203. Dual enrollment options will be subject to district procedures as allowed in Idaho Code 33-203(1).

Parents will be provided information concerning dual enrollment options and requirements. State funding of a dually enrolled student will be only to the extent of the student’s participation in the public school programs.

Dual enrollment will include the option of enrollment in a post-secondary institution. Any credits earned from the accredited post-secondary institution will be credited toward graduation requirements as outlined in NVA Board Policy.

3. *Secondary Curriculum (Grades 7-12)* The secondary curriculum is composed of college-prep required classes and elective classes.

\*This is the standard toward which NVA will be working. However, NVA recognizes students will need to be given the necessary instructional time in order to achieve this standard. NVA plans to “grow” our students into this standard.

H. Alternative Credit Options (See Also, Tab 10)

In addition to regular classroom-based instruction, students may earn credit through the following means:

1. *Blended Program Courses* (See Tab 10)
2. *Correspondence Courses*

NVA will permit a student to enroll in an approved correspondence course from an institution approved by the Idaho State Department of Education, in order that such a student may include a greater variety of learning experiences within the student’s educational program.

High school students may earn, through correspondence, a maximum number of units of academic credit to be applied toward graduation requirements.

Only courses offered by institutions recognized by the Board will be accepted. The express approval of the Principal/Designee will be obtained before the course is taken.

Credit for correspondence courses may be granted provided the following requirements are met:

- a. prior permission has been granted by the Principal/Designee; and
- b. the program fits the education plan submitted by the regularly enrolled student.

An official record of the final grade must be received by the school before a diploma may be issued to the student.

Provision of educational programs and services such as HIV/AIDS education, family life/sex education, occupational education, driver education, guidance and counseling services, summer

school programs, parent education programs, social work, and psychological services will be identified based on need. The Board, Principal, and staff will work together to determine the need for, and estimated cost and value of the above programs. These programs will be provided as required by Idaho Code §33-1612 and the rules governing thoroughness at IDAPA 08.02.030.

**V. Special or Alternative Programs:** Ref. Idaho Code § 33-5205(3)(q)

**A. Individuals with Disabilities in Education Act (IDEA), Section 504 of the Rehabilitation, (Section 504), and the American's with Disabilities Act (ADA)**

NVA provides a Special Education Program in accordance with federal and state regulations and guidelines. Specifically, NVA adopts and complies with the current *Idaho Special Education Manual* from the State Department of Education. To the best of our knowledge this manual reflects IDEA guidelines and Special Education Best Practices. The NVA Special Education administrator will be the IDEA, Section 504, and ADA Compliance Officer.

NVA will to ensure that students who are disabled within the definition of IDEA, Section 504, and ADA are identified, evaluated and provided with appropriate educational services. For those students who need or are believed to need special instruction and/or related services under IDEA, Section 504, and ADA, NVA will establish and implement a system of procedural safeguards. The safeguards will cover students' identification, evaluation, and educational placement. This system will include: notice, an opportunity for the student's parent to examine relevant records, an impartial hearing with opportunity for participation by the student's parent, and a review procedure.

1. *Terminology*

NVA has identified the following terms as specific to this section and important for clarity to avoid confusion and incorrect use of terms in this elementary and secondary school context:

**Accommodation:** a term correctly used in the context of public accommodations and facilities; an individual with a disability may not be excluded, denied services, segregated or otherwise treated differently than other individuals by a public accommodation or commercial facility; (term is not to be confused with "reasonable accommodation," discussed below).

**Equal access:** equal opportunity of a qualified person with a disability to participate in or benefit from educational aids, benefits, or services.

**Free and appropriate public education (FAPE):** a term used in the elementary and secondary school context; refers to the provision of regular or special education and related aids and services that are designed to meet individual educational needs of students with disabilities as adequately as the needs of students without disabilities are met and is based upon adherence to procedures that satisfy the IDEA, Section 504, and ADA requirements pertaining to educational setting, evaluation and placement, and procedural safeguards.

Placement: a term used in the elementary and secondary school context; refers to regular and/or special educational program in which a student receives educational and/or related services.

Reasonable accommodation: a term used in the employment context to refer to modifications or adjustments employers make to a job application process, the work environment, the manner or circumstances under which the position held or desired is customarily performed, or that enable a covered entity's employee with a disability to enjoy equal benefits and privileges of employment; this term is sometimes used incorrectly to refer to related aids and services in the elementary and secondary school context.

Related services: a term used in the elementary and secondary school context to refer to developmental, corrective, and other supportive services, including psychological, counseling and medical diagnostic services and transportation.

## 2. *Eligibility*

NVA will provide a free and appropriate public education (FAPE) to qualified students who have a physical or mental impairment that substantially limits one or more major life activities.

A free and appropriate public education will consist of regular or special education and related aids and services designed to meet the individual educational needs of students with disabilities as adequately as the needs of students without disabilities are met.

“Qualified students with a disability” for whom NVA will provide these services are students with a disability who are: of an age at which students without disabilities are provided elementary and secondary educational services; of an age at which it is mandatory under state law to provide elementary and secondary educational services to students with disabilities; or a student to whom a state is required to provide a free appropriate public education under the Individuals with Disabilities Education Act (IDEA).

A certified special education teacher will be responsible to monitor Individual Education Plans (IEPs) and supervise the implementation as written. The special education teacher, or an educational assistant under his/her supervision, will provide services in an inclusion or a pullout model depending on the degree of intervention necessary to meet the student’s needs. The special education teacher will consult with the general education staff to utilize effective classroom interventions, adaptations, and modifications.

Student’s protected under IDEA, Section 504, and ADA will be determined to: 1) have a physical or mental impairment that substantially limits one or more major life activities; 2) have a record of such impairment; or 3) be regarded as having such impairment. The determination of whether a student has a physical or mental impairment that substantially limits a major life activity will be made on the basis of an individual inquiry.

The definition of a physical or mental impairment, as defined in the Section 504 regulation, at 34 C.F.R. 104.3(j)(2)(i), is any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological;

musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

NVA will also consider a student's use of mitigating measures in determining whether the student is substantially limited in a major life activity. Examples of "mitigating measures" include corrective eyeglasses and medications. Major life activities, as defined in the Section 504 regulation at 34 C.F.R. 104.3(j)(2)(ii), include functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

### 3. *Evaluation*

NVA will utilize evaluative procedures for initial evaluations and periodic re-evaluations of students who need or are believed to need special education and/or related services because of disability that ensure students are not misclassified, unnecessarily labeled as having a disability, or incorrectly placed, based on inappropriate selection, administration, or interpretation of evaluation materials.

NVA will conduct periodic re-evaluations at three-year intervals or more frequently if conditions warrant, such as prior to a significant change of placement, or if the student's parent or teacher requests a re-evaluation. Changes considered significant by NVA include, but are not limited to, exclusion from the educational program for more than 10 school days, transfer of a student from one type of program to another, or terminating or significantly reducing a related service.

NVA will obtain written parental consent for initial evaluations. Pursuant to Section 504 regulation, 34 C.F.R. 104.35(b), NVA will individually evaluate a student before classifying the student as having a disability or providing the student with special education. The determination of substantial limitation will be made on a case-by-case basis with respect to each individual student, in accordance with Section 504 regulation, at 34 C.F.R. 104.35 (c).

A temporary impairment does not constitute a disability for purposes of Section 504 unless its severity is such that it results in a substantial limitation of one or more major life activities for an extended period of time. The issue of whether a temporary impairment is substantial enough to be a disability will be resolved on a case-by-case basis, taking into consideration both the duration (or expected duration) of the impairment and the extent to which it actually limits a major life activity of the student.

Tests used by NVA for the determination of eligibility for services under IDEA, Section 504, and ADA will be selected and administered so as best to ensure that the test results accurately reflect the student's aptitude or achievement or other factor being measured rather than reflect the student's disability, except where those are the factors being measured. NVA will also utilize tests and other evaluation materials including those tailored to evaluate the specific areas of educational need and not merely those designed to provide a single intelligence quotient. The tests and other evaluation materials will be validated for the specific purpose for which they are used and appropriately administered by trained personnel.

The amount of information required will be determined by a multi-disciplinary committee appointed by NVA to evaluate the student. Said committee will be in compliance with the IDEA regarding the group of persons present when an evaluation or placement decision is made, including persons knowledgeable about the student, the meaning of the evaluation data, and the placement options.

A physician's medical diagnosis may be considered among other sources in evaluating a student with a disability or believed to have a disability which substantially limits a major life activity. Other sources that will be considered, along with the medical diagnosis, include, but are not limited to: outside independent evaluation, if available; aptitude and achievement tests; teacher recommendations; physical condition; social and cultural background; and adaptive behavior.

Information from all sources will be documented and considered by the committee members. The weight of the information will be determined by the committee given the student's individual circumstances. NVA forbids committee members to evaluate a student suspected of having a disability by relying on presumptions and stereotypes regarding persons with disabilities or classes of such persons.

The committee members will make a recommendation to the Principal/Designee. The Principal/Designee will review the recommendation. The Board may be consulted if questions arise such as implementation. The Principal/Designee will notify the student's parent within 15 days of receipt of the committee's recommendation.

Upon request, the parent of the student will be allowed to examine all relevant records relating to the student's education and the school's identification, evaluation and/or placement decision;

If parents disagree with the determination, a request for a due process hearing may be made.

#### 4. *Impartial Due Process Hearing*

- a. If the parent of a student who qualifies under IDEA, Section 504, or ADA for special instruction or related services disagree with a decision of NVA with respect to: (1) the identification of the student as qualifying for IDEA, Section 504, or ADA; (2) NVA's evaluation of the student; and/or (3) the educational placement of the student, the parents of the student are entitled to certain procedural safeguards. The student will remain in his/her current placement until the matter has been resolved through the process set forth herein.
- b. The parent of the student may make a request in writing for an impartial due process hearing. The written request for an impartial due process hearing will identify with specificity the areas in which the parents are in disagreement with NVA;
- c. Upon receipt of a written request for an impartial due process hearing, a copy of the written request will be forwarded to all interested parties within three (3) business days of receipt of the same;

- d. Within ten (10) days of receipt of a written request for an impartial due process hearing, NVA will select and appoint an impartial hearing officer that has no professional or personal interest in the matter. In that regard, NVA may select a hearing officer from the list of special education hearing examiners available at the Office of Public Instruction, the county superintendent or any other person that will conduct the hearing in an impartial and fair manner;
- e. Once NVA has selected an impartial hearing officer, NVA will provide the parent and all other interested parties with notice of the person selected;
- f. Within five (5) days of NVA's selection of a hearing officer, a pre-hearing conference will be scheduled to set a date and time for a hearing, identify the issues to be heard and stipulate to undisputed facts to narrow the contested factual issues;
- g. The hearing officer will in writing notify all parties of the date, time and location of the due process hearing;
- h. At any time prior to the hearing, the parties may mutually agree to submit the matter to mediation. A mediator may be selected from the Office of Public Instruction's list of trained mediators;
- i. At the hearing, NVA and the parent may be represented by counsel;
- j. The hearing will be conducted in an informal but orderly manner. Either party may request that the hearing be recorded. Should either party request that the hearing be recorded, it will be recorded using either appropriately equipped or a court-reporter. NVA will be allowed to present its case first. Thereafter the parent will be allowed to present its case. Witnesses may be called to testify and documentary evidence may be admitted, however, witnesses will not be subject to cross-examination and the Idaho Rules of Evidence will not apply. The hearing officer will make all decisions relating the relevancy of all evidence intended to be presented by the parties. Once all evidence has been received the hearing officer will close the hearing. The hearing officer may request that both parties submit proposed findings of fact, conclusions and decision;
- k. Within twenty (20) days of the hearing, the hearing examiner should issue a written report of his/her decision to the parties;
- l. Appeals may be taken as provided by law. The parent may contact the Office of Civil Rights, 1244 Speer Blvd., Suite 310, Denver, Colorado 80204-3582, (303) 844-5695 or 5696.

##### *5. Grading Procedures for Special Education Students*

Students on an IEP will receive grades according to criteria set forth in Chapter 7 of *Idaho Special Education Manual*:

- a. Grades cannot be modified on the basis of special education status alone.
- b. Nondiscriminatory titles may be used for classes, report cards, and transcripts to designate adaptations or accommodations in general education classes.
- c. The provisions of adaptations or accommodations will be spelled out in the student's IEP.
- d. Collaborative grading between general education teachers and special education teachers will be encouraged and considered appropriate. The grading procedure will be spelled out in the IEP.
- e. Kindergarten through eighth-grade report cards may have asterisks or other identification stating the class was from special services, (i.e., resource room, enrichment class, speech therapy, etc.)

#### 6. *Disciplinary Procedures for Special Education Students*

The discipline procedures adopted in the *Idaho Special Education Manual* will be utilized in disciplinary matters for students with disabilities attending NVA. These adopted policies and procedures will meet the requirements of IDEA, Section 504, and ADA.

#### B. Title I Parent Involvement

The parents of students identified to participate in Title I programs will receive from the school Principal/Designee and Title I staff an explanation of the reasons supporting each student's selection for the program, a set of objectives to be addressed, and a description of the services to be provided. Opportunities will be provided for the parents to meet with the classroom and Title I teachers to discuss their student's progress. Parents will also receive guidance as to how they can assist at home in the education of their students.

NVA endorses the parent involvement goals of Title I and encourages the regular participation of parents of Title I eligible students in all aspects of the program. The education of students is viewed as a cooperative effort among the parents, school, and community.

Pursuant to federal law NVA will develop jointly with, agree upon with, and distribute to parents of students participating in the Title I program a written parent involvement policy.

NVA parents will be notified at the beginning of the school year if the school is identified for Title I school improvement, the reasons for that designation, how the school is addressing the achievement problem, how parents can help address the problem, and the option they have as parents to transfer their student to another public school with transportation provided.

At the required annual meeting of Title I parents, parents will have opportunities to participate in the design, development, operation, and evaluation of the program for the next school year. Proposed activities to fulfill the requirements necessary to address the requirements of parental-involvement goals will be presented.

#### 1. *Meetings*

In addition to the required annual meeting, at least three (3) additional meetings will be held at various times of the day and/or evening for parents of students participating in the Title I program. These meetings will be used to provide parents with:

- a. Information about programs provided under Title I;
- b. A description and explanation of the curriculum in use, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet;
- c. Opportunities to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their students; and
- d. The opportunity to bring parent comments, if they are dissatisfied with the school's Title I program, to NVA level.

Title I funding, if sufficient, may be used to facilitate parent attendance at meetings, through payment of transportation and childcare costs.

## 2. *School-Parent Compact*

NVA will use Title I funds primarily at the elementary level, and will develop jointly with parents of students served in the program a "School-Parent Compact" outlining the manner in which parents, school staff, and students share the responsibility for improved student academic achievement in meeting state standards. The "School-Parent Compact" will:

- a. Describe the school's responsibility to provide high quality curriculum and instruction in a supportive and effective learning environment enabling students in the Title I program to meet the state's academic achievement standards;
- b. Indicate the ways in which each parent will be responsible for supporting their student's learning, such as monitoring attendance, homework completion, and television watching; volunteering in the classroom; and participating, as appropriate, in decisions related to their student's education and positive use of extracurricular time; and
- c. Address the importance of parent-teacher communication on an ongoing basis with, at minimum, parent-teacher conferences, frequent reports to parents, and reasonable access to staff.

## 3. *Guidelines and Responsibilities*

In order to achieve the level of Title I parent involvement desired by Charter School policy on this topic, these procedures guide the development of each school's annual plan designed to foster a cooperative effort among parents, school, and community.

C. Gifted and Talented Program: Ref. Idaho Code § 33-2003

Section 33-2001, Idaho Code describes gifted/talented students as "...those students who are identified as possessing demonstrated or potential abilities that give evidence of high performing capabilities in intellectual, creative, specific academic, or leadership areas, or ability in the performing or visual arts and who require services or activities not ordinarily provided by the school in order to fully develop such capabilities." All public schools, including charter schools, must identify and serve gifted/talented students.

By law, NVA is required to provide for special instructional needs of gifted and talented students enrolled in NVA. The Board, in conjunction with the Principal and staff, will develop the State required plan for NVA's gifted/talented program. The Plan will include a philosophy statement, definition of giftedness, program goals, program options, identification procedures and a program evaluation. NVA's initial plan will be submitted to the Department of Education. Pursuant to State Board mandate, the Plan will be updated every three (3) years.

The Board designates the Principal to be responsible for development, supervision and implementation of NVA's gifted and talented program. Such program will include, but not be limited to, the following:

1. Expansion of academic attainments and intellectual skills;
2. Stimulation of intellectual curiosity, independence and responsibility;

4. Development of originality and creativity.

The Principal/Designee will establish procedures consistent with state guidelines for screening, nominating, assessing, and selecting students of demonstrated achievement, or potential ability in terms of general intellectual ability and academic aptitude.

D. Limited-English Proficiency (LEP) Program

NVA anticipates an enrollment ranging from 240-442 students. The ethnic minority in Gooding County, and consequently NVA is Hispanic. NVA anticipates limited-English proficient (LEP) students to make up 10-20% of total enrollment.

For program details, please see NVA's LEP Program, Appendix P.

## TAB 4: MEASUREMENT OF STUDENT PROGRESS

### **I. Measurable Student Educational Standards:** Ref. Idaho Code § 33-5205(3)(b)

NVA's goal is to accomplish these educational standards annually:

#### A. Standard 1

Students at NVA enrolled continuously from the beginning of the school year, will show annual academic improvement as measured by:

1. 70% of K – 3 students will receive a score of proficient or better as measured by the Idaho Reading Indicator.
2. 70% of students will receive a score of proficient or above in all required subjects as measured by the Idaho Standards Achievement Test (ISAT).
3. 75% of students will achieve satisfactory or above in core subjects on academic progress reports as measured by teacher developed classroom assessment tools, such as, but not limited to culminating portfolios, assignments, quizzes and tests. Tools will be an ongoing development starting the first day of school. When NVA is fully staffed, every teacher will meet with his/her colleagues in the grade below and the grade above to align expectations. Established standards will be reviewed and aligned with the curriculum to ensure teachers are preparing students for success at the next grade level, i.e., kindergarten teaches to first grade and above, first grade teaches to second grade and above, etc. Staff will also review student accomplishment records to direct their teaching efforts most effectively.

#### B. Standard 2

Ninety-five percent (95%) of all students, K-12, will develop and maintain a career portfolio.

1. *Completion/progress monitoring benchmarks are:*
  - a. All students will achieve satisfactory status or above for their grade appropriate portfolio based on rubrics developed by teaching staff. The rubric for the first grading period will be completed prior to the commencement of the first grading period. The rubric for the second grading period will be developed during the first grading period, and so on. The resulting rubric will be re-evaluated and updated at the conclusion of each academic year to ensure the highest level of academic excellence.
  - b. All eighth-grade students will develop an educational plan including a four year high school and a four year post high school career/education plan as part of their career portfolio.

- c. Portfolio pieces may include, but not be limited to grade appropriate pictures, interviews, reports, journal pages, speeches, biographies, internships, plans, and college/career investigations. Development of the carrier portfolio will be directed by a teacher/advisor and reviewed by the parents.

C. Standard 3

Ninety-five percent (95%) of students currently enrolled at NVA in grades 11 and 12 will participate in the ACT and Compass tests. Seventy-five percent (75%) of students who complete the ACT and Compass tests will score 20 or higher on the ACT and will meet or exceed the college entrance cut-off established by College of Southern Idaho (CSI) for the Compass Test.

**II. Measurable Student Progress:** Ref. Idaho Code § 33-5205(3)(c)

A. Mastery Level

We will meet the goals identified in this Charter petition by 2012 when 75% of students:

1. Score at levels considered proficient or above on standardized tests after a period of two consecutive academic years at NVA.
2. Read by third grade at the level considered proficient or above as measured by Idaho Reading Indicator (IRI).
3. Produce work that depicts acquired, integrated, extended, refined and meaningful utilization of information as measured by required State IRI and ISAT assessments.
4. Reflect positive growth on the parent surveys done yearly on the student's attitudes and habits toward, but not limited to, work ethic, honesty, taking responsibility, self-confidence, knowledge, etc.
5. Reflect positive growth on self-assessment surveys done yearly on attitudes and habits toward task performance.

B. Achievement of Assessments

Seventy-five percent (75%) of students in attendance at NVA will be expected to improve their personal scores in all aspects of the following assessments, which will ultimately improve NVA's overall scoring:

Idaho Reading Assessment, Grades K– 3  
ACT – 11, 12  
ISAT assessment, Grades 2-10

**III. Standardized Testing:** Ref. Idaho Code § 33-5205(3)(d)

A. Statewide Assessments

The students at NVA will be evaluated using the same standardized tests as other Idaho public school students.

B. Additional Assessments

Additional yearly assessment tools may be required as determined by the NVA Board.

C. Reporting of Student Test Results

Staff will report results of the following student tests to the school counselor who will compile a report to be presented to the Principal/Designee:

1. Individual student progress
2. Grade level/school composite scores
3. Year-to-year comparative results by subject
4. Comparative results between NVA, state, and national averages

D. Annual Reports to Idaho State Board of Education and Authorized Chartering Entity

Annual reports will be made to the Idaho State Board of Education and Authorized Chartering Entity, providing formative and summative data to demonstrate that the school is meeting all the performance standards prescribed by the State and other standards still under construction. This data can include emerging Idaho State Department of Education standards, benchmarks and/or NVA-developed criteria.

**IV. Middle Level Credit System (IDAPA 08.02.03.107)**

North Valley Academy developed and adopted a policy that addresses the following:

A. Credit Requirements

NVA shall require students to attain a minimum of eighty percent (80%) of the total credits attempted before the student will be eligible for promotion to the next grade level. NVA's credit system shall require a student to attain, at a minimum, a portion of the total credits attempted in each area in which credits are attempted except for areas in which instruction is less than a school year before the student will be eligible for promotion to the next grade level.

B. Credit Recovery

A student who does not meet the minimum requirements of the credit system shall be given an opportunity to recover credits or complete an alternate mechanism in order to become eligible for promotion to next grade level.

C. Alternate Mechanism

NVA may establish an alternate mechanism to determine eligibility for grade level promotion. The alternate mechanism shall require a student to demonstrate proficiency of the appropriate content standards. All mechanisms established and used by NVA to demonstrate proficiency will be forwarded to the State Department of Education. Alternate mechanisms will be re-submitted to the Department when changes are made to the mechanism.

D. Attendance

Attendance shall be an element included in the credit system, alternate mechanism or both.

E. Special Education Students

The Individualized Education Program (IEP) team for a student who is eligible for special education services under the Individuals with Disabilities Education Improvement Act may, establish alternate requirements or accommodations to credit requirements as are deemed necessary for the student to become eligible for promotion to the next grade level.

F. Limited English Proficient (LEP) Students

The Educational Learning Plan (ELP) team for a Limited English Proficient (LEP) students, as defined in Subsection 112.04.d.iv. may, establish alternate requirements or accommodations to credit requirements as deemed necessary for the student to become eligible for promotion to the next grade level.

**V. Accreditation:** Ref. Idaho Code § 33-5205(3)(e) and 33-5210(4)(b)

A. State Accreditation of Charter School

NVA will be accredited through the State of Idaho as set forth by the rules and regulations of the Idaho State Board of Education. Update: NVA was accredited in 2008 per Northwest Accreditation Standards. Accreditation is updated and renewed annually.

B. Accreditation Standards

The Board will comply with all accreditation standards established by the Idaho State Board of Education. NVA will use one or more of the following standards as required by law:

1. Idaho Elementary/Secondary Accreditation Standards, dated October 17, 1996
2. Northwest Accreditation Standards
3. Idaho School Accreditation School Improvement Model

C. Accreditation Reports

NVA will submit all accreditation reports to the Elementary/Secondary Accreditation Committee in a timely manner.

**VI. “No Child Left Behind” (NCLB)**

Student learning is the primary focus for NVA. A Strategic Plan will be in place as part of our accreditation process with the State of Idaho. The Strategic Plan will be developed by the NVA Board, Principal, and staff representatives. The plan will outline, by year, educational steps including needed remediation for all educational goals identified. Explicit curriculum and procedures will be included in the Strategic Plan.

**Plan for Improvement per NCLB**

Should it be determined through our measurement systems that learning is being compromised, steps will be taken by the Principal and the Board to identify and target school and individual needs. A comprehensive plan of improvement will be developed that will examine curriculum, time on task, teaching instruction, and other important processes that affect student learning.

## **I. Description of Governance Structure**

### **A. Governing Body**

The Governing Body consists of Directors elected or appointed as set forth in the corporate bylaws section 4.3. The number of Directors constituting the Board of the Corporation will be not less than five (5) or more than seven (7) Directors. The function of the Board can be described as policy making and evaluating. The Board will have further duty of directing the financial means by which the educational program is conducted. They will also ensure that the community be informed of the needs, purposes, values, and status of NVA. The Board has ultimate responsibility for the fulfillment of the commitments in this charter and compliance with statute and administrative rule.

During the initial year of operation, the Board will be comprised of at least the following positions: chairman, vice-chairman, secretary, and treasurer. The responsibilities of these positions are outlined in the Corporate Bylaws.

discipline. NVA is a public school of choice and parents who choose this school for their students are agreeing to abide by the policies of the school.

The Board will establish or recognize an official Parent-Faculty Association (PFA). All parents of students enrolled in the North Valley Academy charter school and full-time faculty will be members of the PFA. Officers of that committee will be elected annually by the members according to policy to be set by resolution of the Board. The PFA will be authorized to make recommendations regarding any aspect of the school. The PFA will assist and counsel the Board in the creation, implementation, and evaluation of school policy.

Appropriate financial statements will be prepared throughout the year and presented at the audit. The audit will be conducted in accordance with generally accepted auditing standards. The audit will be included in an annual report to the Authorized Chartering Entity, after approval by the Board, and submitted no later than October 15.

During the March or April Board meeting, NVA's Board, with assistance from the Principal, will appoint a committee consisting of least one Board member, the Principal, one teacher, two NVA parents, and one person at large (not affiliated with NVA) who will conduct a programmatic audit each year targeting the parameters of this petition. The audit will be conducted as required by section 33-5205(3)(k), Idaho Code, and the conclusions will be reported to the Authorized Chartering Entity with suggestions for policy and program changes intended to improve the educational services provided to the students.

The programmatic audit report will also be included in an annual report to the Authorized Chartering Entity and submitted no later than October 15.

TAB 7: ADMISSION PROCEDURES: Ref. Idaho Code § 33-5205(3)(j)

**I. Admission Procedures**

NVA will be open to all students, on a space available basis within each grade level as established by the Board. The school will not discriminate based on race, creed, color, gender, national origin, or ancestry. Special needs of students will not be a factor in admission decisions. The school will not charge tuition for students residing in the state of Idaho, levy taxes, or issue bonds. The Board may choose to charge student fees as allowed by state law. The parameters and procedures set forth in the following Items A-I, are applicable to students wishing to enroll in both NVA and NVA's blended program courses. NVA will conduct a separate lottery for students wishing to enroll in NVA's blended program courses. (See Also, Tab 10)

**A. Enrollment Deadline**

NVA will establish an enrollment deadline by which date all requests for admission to attend NVA for the next school year must be received. Late applications will be accepted for admission for slots remaining open and/or in addition to waiting lists at any time.

**B. Requests for Admission**

A parent, guardian, or other person with legal authority to make decisions regarding school attendance on behalf of a student in Idaho, may make a request in writing for such student to attend NVA. The request for admission will contain the name(s) and grade(s) of student(s) seeking enrollment in NVA, address, and telephone number of each prospective family. In the case of a family with more than one student seeking to attend NVA, a single request for admission must be submitted on behalf of all siblings.

If the initial capacity of NVA is insufficient to enroll all prospective students, then an equitable selection process, such as a lottery or other random method, will be utilized to determine which prospective students will be admitted to NVA, as described in IDAPA 08.02.04.203.09. Only those written requests for admission submitted on behalf of prospective students that are received prior to the enrollment deadline established by NVA will be permitted to participate in the equitable selection process.

**C. Admissions Preference**

NVA will establish admission preference as authorized by Section 33-5205(3)(j), Idaho Code, for students returning to NVA, students of founders, siblings of students already selected to attend NVA, and those in the primary attendance area.

**1. Founders**

Founders will be defined as those persons:

- a. involved in the initial writing of the petition for the Charter of NVA, by:

- i. researching start-up facilities sites
  - ii. budget planning
  - iii. writing policies and definitions
- b. Those individuals who have made a significant contribution to the development and establishment of NVA as defined by the Board.

#### D. Priority of Preferences for Initial Enrollment

##### 1. *Selection Hierarchy*

Admission preferences for initial enrollment of students for NVA will have the selection hierarchy as described in Section 33-5205 of the Idaho Code and IDAPA 08.02.04.203.

##### 2. *Attendance Areas*

The primary attendance area for NVA will be Gooding School District boundaries.

##### 3. *Re-enrollment*

Once enrolled in NVA, students will not be required to reapply each year thereafter. Hence, once admitted, a student will not be removed because another student seeks admission.

#### E. Priority Preferences for Subsequent Enrollment Periods

NVA will have admission preferences for enrollment of students in subsequent school years, with the selection hierarchy with respect to such preferences outlined in Section 33-5205 of the Idaho Code:

1. First priority group: students returning to NVA;
2. Second priority group: children of founders, provided that this admission preference shall be limited to not more than ten percent (10%) of the capacity of the public charter school;
3. Third priority group: siblings of pupils already selected by the lottery or other random method;
4. Fourth priority group: applicants in primary attendance area; and
5. Fifth priority group: applicants outside of primary attendance area

Beginning with the 2010-2011 school year, North Valley Academy amends the priority preference as follows:

Children of full-time employees of the public charter school will be included within the first priority group, subject to the limitations therein. Otherwise, such children shall be included in the third priority group, subject to the limitations therein.

North Valley Academy will include the following children within the second priority group, subject to the limitations therein:

1. Children of full-time employees of NVA, and
2. Children who attended NVA within the previous three (3) school years, but who withdrew as a result of the relocation of a parent or guardian due to an academic sabbatical, employer or military transfer or reassignment.

#### F. Proposed Attendance List

Each year NVA will maintain a proposed attendance list containing the names of all prospective students on whose behalf a timely request for admission was received, separated by grade level. The proposed attendance list may contain columns next to the name of each student, in which NVA will designate admission preferences applicable to each prospective student. The columns might designate “A” for returning preference; “B” for founders preference; “C” for sibling preference, with a corresponding cross-reference to each of the siblings of the prospective student; and “D” for attendance area preference.

#### G. Provision for Over Enrollment: Equitable Selection Process

If the initial capacity of NVA is insufficient to enroll all prospective students, or if capacity is insufficient to enroll all prospective students in subsequent school years, then NVA will determine who will be offered admission to NVA by conducting a fair and equitable lottery selection process.

#### H. Final Selection List

The names of the persons in highest order on the final selection list will have the highest priority for admission to NVA in that grade, and will be offered admission to NVA in such grade until all seats for that grade are filled.

##### 1. *Notification and Acceptance Process*

- a. Within seven days after conducting the selection process, NVA will send an offer letter to the parent, who submitted an admission request on behalf of the student, advising the person that the student has been selected for admission to NVA. The offer letter must be signed by the student’s parent, and returned to NVA by the date designated in the offer letter from NVA.
- b. Within seven days after conducting the selection process, NVA will send a letter to the parent, or other person who has submitted an admission request on behalf of the student, advising them that the perspective student is not eligible for admission, but will be placed on a waiting list and may be eligible for admission at a later date if a seat becomes available. Ref. Idaho Code § 33-5205(3)(j)
- c. If a parent receives an offer letter on behalf of a student and declines admission, or fails to sign and return the offer in a timely manner by the date designated in the offer letter, then the name of that student will be stricken from the final selection list, and that seat will be made available to the next eligible student on the final selection list.

- d. If a student withdraws from NVA during the school year for any reason, then the seat that opens in that grade will be made available to the next eligible student on the final selection list.

## 2. *Subsequent School Years*

The final selection list for a given school year will not roll over to the next subsequent school year. If the capacity of NVA is not sufficient to enroll all prospective students during the next subsequent school year, then a new equitable selection process will be conducted by NVA for that year.

All prospective students who miss the enrollment deadline will be placed at the bottom of the final selection list in the order in which they are received. They will only receive admittance to NVA when all prospective students on the final selection list have been given the option of acceptance and there are still vacancies in the grade level needed.

### I. Amendments

NVA has the right to amend these admission procedures as needed with the approval of the Authorized Chartering Entity. Any changes will conform to the laws of the State of Idaho and applicable rule of the Idaho State Board of Education.

## **II. Disciplinary Procedures:** Ref. Idaho Code § 33-5205(3)(l) & 33-210

### A. Due Process

When school begins in the fall of each year, the Principal/Designee will review with staff and students NVA's expectations of students. At that time, the material contained in this handbook will be reviewed as well as any other information that may be pertinent. This review will constitute the basis for informing students of policies and procedures, and should they fail to adhere to them, the disciplinary action that will occur.

### B. Consequences

Discipline actions and consequences for violations of school rules, regulations, and procedures include, but are not limited to, the following:

1. Student conference with the Principal.
  - a. Loss of privileges
  - b. Detention (lunch hour or before or after school)
  - c. Phone call to parent
  - d. Letter sent to the parent
  - e. Student and parent conference with Principal
  - f. Suspension from extracurricular activities
  - g. In-school suspension
  - h. Out-of-school suspension

- i. Referral to Status Offenders Service
    - i. Behavioral
    - ii. Attendance
    - iii. Truancies, etc.
  - j. Referral to Counselor or Student Specialist for intervention
2. Recommendation to Board for expulsion

The Principal determines appropriate consequences for infractions.

Both the seriousness of the violation and the number of violations will be considered in determining the proper disciplinary action(s) to be taken.

### C. Suspension Policy

The Principal may temporarily suspend any pupil for disciplinary reasons. Procedure used for suspension will conform to the minimal requirements of due process.

#### 1. *Temporary Suspension:*

NVA's Principal may temporarily suspend any student for disciplinary reasons or for other conduct disruptive of good order or of the instructional effectiveness of NVA. A temporary suspension by the Principal shall not exceed five (5) school days in length; and the Board may extend the temporary suspension an additional ten (10) school days. If the Board finds that immediate return to NVA by the temporarily suspended student would be detrimental to other students' health, welfare or safety, the Board may extend the temporary suspension for an additional five (5) school days. Prior to suspending any student, the Principal or Board will grant an informal hearing on the reasons for the suspension and the opportunity to challenge those reasons. Any student who has been suspended may be readmitted to NVA by the Principal or Board who suspended him upon such reasonable conditions as said Principal or Board may prescribe. The Board will be notified of any temporary suspensions, the reasons therefore, and the response, if any, thereto. The Board shall be notified of the reasons for and response, if any, to any temporary suspensions.

#### 2. *In-school Suspension:*

In-school suspension can be for one (1) period to five (5) days. The student is assigned to a study area during the suspension. The missed period(s) or days do not count as absences and the student is allowed to complete all work for full credit.

### D. Expulsion Policy

The Principal or Board may deny attendance at North Valley Academy by expulsion of any student who is a habitual truant, or who is incorrigible, or whose conduct, in the judgment of the Principal or Board, is such as to be continuously a discipline problem, or who may be harmful to the other students. Any student having been expelled may be readmitted to North Valley

Academy by the Principal or Board upon such reasonable conditions as may be prescribed by the Principal or Board; but such readmission will not prevent the Principal or Board from again expelling such pupil for cause.

No student will be expelled nor denied enrollment without the Principal or Board having first given written notice to the parent of the student, which notice shall:

1. State the grounds for the proposed expulsion;
2. Indicate the time and place where such parent may appear to contest the action of the board to deny school attendance; and
3. State the rights of the pupil to be represented by counsel, to produce witnesses and submit evidence on his own behalf, and to cross-examine any adult witnesses who may appear against him.

Within a reasonable period of time following such notification, the Principal or Board will grant the student and his parents a full and fair hearing on the proposed expulsion. However, the board will allow a reasonable period of time between such notification and the holding of such hearing to allow the student and his parents to prepare their response to the charge.

Any student who is within the age of compulsory attendance, who is expelled as herein provided, will come under the purview of the Juvenile Corrections Act, and the Principal or representative designated by the Board will, within five (5) days, give written notice of the student's expulsion to the Prosecuting Attorney of the county of the student's residence.

#### E. Reenrollment to School Following Expulsion

A student who has been expelled may appeal to the Board to hear a petition for reenrollment in school. NVA's Board will have the right to deny reenrollment for disciplinary or attendance reasons.

### **III. Alcohol, Tobacco, Drug Policy**

NVA recognizes that substance abuse, the harmful use of drugs, tobacco and alcohol, and the problems associated with it are becoming increasingly commonplace in our society. We recognize that a student's involvement with drugs and alcohol may cause problems in their daily lives. We also recognize that in many instances a student's involvement can lead to the illnesses of chemical dependency and alcoholism. We support prevention, early intervention, and appropriate referral. Our intent is to identify and document any behavior/appearance that would be considered problematic to the student. We will be involved in disciplinary action when needed as outlined in the policy manual and student handbook. (See "Drug Policy" in "Health and Safety Policies & Procedures" section in *North Valley Academy Student Handbook*)

### **IV. Attendance Alternatives: Ref. Idaho Code § 33-5205(3)(n)**

Because NVA is a new entity and not a conversion of an existing school, the attendance alternative will be the same as for those presently residing within the area. Students located

within the attendance area of NVA will have the option to enroll in existing public schools presently serving the area. No student will be required to attend NVA.

#### **V. Public Notification of Enrollment Opportunities**

In accordance with Idaho Code § 33-5205(3)(s), all advertising and promotion processes for NVA will include the dissemination of enrollment information, in English and possibly other language(s) taking into consideration the demographics of the area, at least three (3) months in advance of the enrollment deadline established by NVA each year, to be posted in highly visible and prominent locations within the area of attendance of NVA.

In addition, NVA will ensure that such process includes the dissemination of press release and/or public service announcements to media outlets that broadcast within, and/or disseminate printed publications within, the NVA area(s) of attendance.

NVA will ensure that such announcements are broadcast and/or published by such media outlets on not fewer than three (3) occasions, beginning not later than fourteen (14) days prior to the enrollment deadline each year.

Finally, such enrollment information will advise that all prospective students will be given the opportunity to enroll in NVA, regardless of race, color, national or ethnic origin, religion, gender, social or economic status, or special needs.

#### **VI. Denial of School Attendance:** Ref. Idaho Code § 33-5205(3)(i), 33-205, 33-206

NVA is a public school, open to all students based on the provisions provided within this petition. Strict adherence to NVA's Code of Conduct for Students as described in the student handbook is required for optimum learning to be achieved. We will strongly encourage new/incoming students and parents to signify their acceptance of and willingness to comply with the conditions and consequences of NVA's Code of Conduct. Students who are truant, incorrigible, disruptive to the learning process, or present a health or safety risk will follow the provisions set forth under Disciplinary Procedures in this petition.

Except in extenuating circumstances as presented to the Board, a student expelled from another school or district in this state or any other state will be denied the right to enroll in NVA.

Written notice to the parent of the student will state the grounds for the denial of enrollment and will indicate a time and place where parents may appear to contest the action of the Board.

#### **VII. Parental Access to Student Handbook**

Upon approval of a charter, the Board will appoint a committee to further develop the student handbook to ensure it reflects the vision and purpose of NVA, and will continue to be in compliance with Idaho School Board Policies and the laws of the State of Idaho. The student handbook will be available in hard copy and on the NVA website. All new students will receive

a copy of the student handbook upon enrollment. A copy of the student handbook can be found in the appendix.

**VIII. School-Provided Access to Electronic Information, Services, and Networks:** Ref. Idaho Code § 33-131(1)

A. General

Internet access and interconnected computer systems are available to NVA's students and faculty. Electronic networks, including the Internet, are a part of NVA's instructional program in order to promote educational excellence by facilitating resource sharing, innovation, and communication.

In order for NVA to be able to continue to make its computer network and Internet access available, all students must take responsibility for appropriate and lawful use of this access. Students utilizing school-provided Internet access are responsible for good behavior online. The same general rules for behavior apply to students' use of school-provided computer systems. Students must understand that one student's misuse of the network and Internet access may jeopardize the ability of all students to enjoy such access. While the NVA's teachers and other staff will make reasonable efforts to supervise use of network and Internet access, they must have student cooperation in exercising and promoting responsible use of this access.

B. Curriculum

The use of NVA's electronic networks will be consistent with the curriculum adopted by NVA, as well as the varied instructional needs, learning styles, abilities, and developmental levels of the students, and will comply with the selection criteria for instructional materials and library-media center materials. Staff members may, consistent with NVA's educational goals, use the Internet throughout the curriculum.

NVA's electronic network is part of the curriculum and is not a public forum for general use.

C. Acceptable Uses

1. **Educational Purposes Only.** All use of NVA's electronic network must be (a) in support of education and/or research, and in furtherance of NVA's stated educational goals; or (b) for a legitimate school business purpose. Use is a privilege, not a right. Students and staff members have no expectation of privacy in any materials that are stored, transmitted, or received via NVA's electronic network or computers. NVA reserves the right to monitor, inspect, copy, review and store, at any time and without prior notice, any and all usage of the computer network and Internet access and any and all information transmitted or received in connection with such usage.
2. **Unacceptable Uses of Network.** The following are considered unacceptable uses and constitute a violation of this policy:

- a. Uses that violate the law or encourage others to violate the law, including but not limited to transmitting offensive or harassing messages; offering for sale or use any substance the possession or use of which is prohibited by NVA's student discipline policy; viewing, transmitting or downloading pornographic materials or materials that encourage others to violate the law; intruding into the networks or computers of others; and downloading or transmitting confidential, trade secret information, or copyrighted materials.
- b. Uses that cause harm to others or damage to their property, including but not limited to engaging in defamation (harming another's reputation by lies); employing another's password or some other user identifier that misleads message recipients into believing that someone other than you is communicating, or otherwise using his/her access to the network or the Internet; uploading a worm, virus, other harmful form of programming or vandalism; participating in "hacking" activities or any form of unauthorized access to other computers, networks, or other information.
- c. Uses that jeopardize the security of student access and of the computer network or other networks on the Internet.
- d. Uses that are commercial transactions. Students and other users may not sell or buy anything over the Internet. Students and others should not give information to others, including credit card numbers and social security numbers.
- e. Students may be prohibited from using e-mail (except NVA e-mail accessed through a web browser) .E-mail access may be given to students on a case-by-case basis (e.g., foreign exchange students keeping in contact with home). Students are prohibited from joining chat rooms, unless it is a teacher-sponsored activity.

## **IX. Internet Safety**

Each NVA computer with Internet access will have a filtering device that blocks entry to visual depictions that are (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by the Children's Internet Protection Act and as determined by the Principal/Designee.

NVA will also monitor the online activities of students, through direct observation and/or technological means, to ensure that students are not accessing such depictions or other material that is inappropriate for minors. The Principal/Designee will enforce the use of such filtering devices.

### **A. Definition of "Harmful to Minors"**

The term "harmful to minors" is defined by the Communications Act of 1934 (47 USC Section 254 [h][7]), as meaning any picture, image, graphic image file, or other visual depiction that:

1. taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;

2. depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals;
3. taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.

#### B. Methods of Ensuring Acceptable Internet Usage

Filtering will only be viewed as one of a number of techniques used to manage student's access to the Internet and encourage acceptable usage. It will not be viewed as a foolproof approach to preventing access to material considered inappropriate or harmful to minors. Filtering will be used in conjunction with:

1. educating students to be "Net-smart;"
2. using recognized Internet gateways as a searching tool and/or homepage for students in order to facilitate access to appropriate material;
3. using "Acceptable Use Agreements;"
4. using behavior management practices for which Internet access privileges can be earned or lost; and
5. appropriate supervision, either in person and/or electronically.

The system administrator and/or Principal/Designee will monitor student Internet access.

#### C. Confidentiality of Student Information

Personally identifiable information concerning students may not be disclosed or used in any way on the Internet without the permission of a parent or, if the student is 18 or over, the permission of the student himself/herself. Users should never give out private or confidential information about themselves or others on the Internet, particularly credit card numbers and social security numbers. A supervising teacher or administrator may authorize the release of directory information, as defined by law, for internal administrative purposes or approved educational projects and activities.

#### D. Internet Access Conduct Agreements (See *Appendix J*)

Each student and his/her parent will be required to sign and return to the school at the beginning of each school year the Internet Access Conduct Agreement prior to having access to NVA's computer system and/or Internet Service.

#### E. Warranties/Indemnification

NVA makes no warranties of any kind, express or implied, in connection with its provision of access to and use of its computer networks and the Internet provided under this policy. NVA is not responsible for any information that may be lost, damaged, or unavailable when using the network, or for any information that is retrieved or transmitted via the Internet. NVA will not be responsible for any unauthorized charges or fees resulting from access to the Internet, and any user is fully responsible to NVA and will indemnify and hold NVA, its trustees, administrators,

teachers, and staff harmless from any and all loss, costs, claims, or damages resulting from such user's access to its computer network and the Internet, including but not limited to any fees or charges incurred through purchases of goods or services by the user. The user or, if the user is a minor, the user's parent agrees to cooperate with NVA in the event of the school's initiating an investigation of a user's use of his/her access to its computer network and the Internet.

#### F. Violations

If any user violates this policy, the student's access will be denied, if not already provided, or withdrawn and he/she may be subject to additional disciplinary action. The system administrator and/or Principal/Designee will make all decisions regarding whether or not a user has violated this policy and any related rules or regulations and may deny, revoke, or suspend access at any time, with his/her/their decision being final.

## TAB 8: BUSINESS PLAN

### **I. Business Plan**

#### A. Description

An organizing group of founders has written the initial petition for a Charter for North Valley Academy Charter School and has recruited and appointed an initial Board of Directors. The founders will continue to be a data gathering entity, recommending curriculum, teaching instruction, professional development and/or daily operations that will reflect the vision, purpose and mission of NVA Charter School to the NVA Board. Additional Founding Members may be recruited prior to the official opening of the first school year in order to accomplish the goals of NVA Charter School. This group will remain as advisors to the Board. The number of Founding Families is anticipated not to exceed ten families.

North Valley Academy, Inc. is a non-profit organization organized and managed under the Idaho Nonprofit Corporation Act. The Corporation is organized exclusively for educational purposes within the meaning Section 501(c)(3) of the Internal Revenue Code of 1986, or the corresponding provisions of any future federal income tax code.

#### B. Marketing Plan

According to Idaho Code § 33-5205(3)(s), all advertising and promotion processes for NVA will include the dissemination of enrollment information, in both English and other languages as required by the demographics of the area, at least three (3) months in advance of the enrollment deadline established by the public charter school each year, to be posted in highly visible and prominent locations within the area of attendance of the public charter school.

In addition, NVA will ensure that such process includes the dissemination of press release and/or public service announcements to media outlets that broadcast within and/or disseminate printed publications within the area of attendance of the public charter school. NVA will ensure that such announcements are broadcast and/or published by such media outlets on not less than three (3) occasions, beginning not later than fourteen (14) days prior to the enrollment deadline each year.

Finally, such enrollment information will advise that all prospective students will be given the opportunity to enroll in the public charter school, regardless of race, color, national or ethnic origin, religion, gender, social or economic status, or special needs.

Advertising for North Valley Academy may actively recruit students for enrollment using, but not limited to, the following methods:

1. Advertising with public schools located within the target area using flyers upon administrative approval.

2. North Valley Academy website that will introduce information about the school. Brochures promoting the curriculum and methods used at North Valley Academy.
3. Public informational meetings about North Valley Academy held in accordance with Idaho Statute §67-23.
4. Other methods that may include: news releases, newspapers, news conferences, and newsletters.
5. Web, e-newsletters, and social media

### C. Management Plan

#### 1. *Operations*

NVA will be organized as outlined in detail under Tab 2, and will generally follow the model of traditional single-grade classrooms starting with grades K–8, and expanding to include grades 9-12 in fall 2009.

If our enrollment falls short of the target class size we may combine grades, 1-2, 3-4, 5-6, 7-8. We like the concept of the “Elders and the Youngers” as used by the ANSER Charter School in Boise, Idaho. This will be determined by enrollment and the Board and Principal.

The Principal will determine the day-to-day operations of the school including but not limited to the school calendar, schedule, and hours of operation in accordance to State required hours of attendance and Board approval.

#### 2. *Board Policy*

Upon approval of a charter, the Board will be charged with developing a policy manual modeled after the Idaho School Board Association Model Policy Manual. This manual will include policies including, but not limited to: Instruction, Students, Community Relations, Personnel, Administration, Financial Management, Non-instructional Operations, School Facilities, and Philosophy. Board Policy will be made available to the public either as a hard or electronic copy or both.

#### 3. *Class Size*

In North Valley Academy’s initial school year we will have a cap of 216 students, kindergarten through eighth grade, with one class of 24 students per grade level. NVA plans to open offering grades K-8, adding grades 9-12 in fall 2009 depending upon total enrollment, facility and budget needs, surveyed parental support, and student pre-registration.

We believe that students benefit from a small school setting. Although our total population will be small, our classrooms may be considered large. The methods we will use benefit from

relatively large classrooms. The effectiveness of our character education plan makes it possible to turn what often is seen as negative (i.e. large, hard to control classrooms) into a more positive, energetic, and vibrant place in which to learn.

We anticipate drawing upon a large number of local students enrolled in home school and private schools in neighboring communities. Market research conducted as of September 1, 2007, supports our belief that parents want educational options for their students. Persons attending the 2007 Gooding County Fair & Rodeo were given an opportunity to ask questions about NVA, and/or indicate in writing their interest in enrolling their student(s) in NVA. That initial effort gleaned the following information:

Grade*	K	1	2	3	4	5	6	7	8	9	10	11	12
Number of Prospective Enrollees	6	8	10	8	9	7	9	9	10	(6)	(5)	(2)	(5)

\*Five students were listed as pre-school

4. *Maximum North Valley Academy Face-to-Face School Enrollment Capacity*

NVA seeks to increase face-to-face enrollment as follows: K-1, remain the same at 24; 2-3 to 26; 4-6 to 28; and 7-12 to 30.

Year	Grades	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
2011-12	K-12	24	24	26	26	28	28	28	30	30	30	30	30	30	364
2012-13	K-12	24	24	26	26	28	28	28	30	30	30	30	30	30	364

5. *Maximum NVA Blended Program Enrollment Capacity*

NVA wishes to establish an enrollment cap of no more than six (6) students per grade in a blended program, which is by definition:

Enrollment in the minimum number of online courses required to meet the hourly ADA requirements for half-day attendance set forth by the Idaho State Department of Education, **and** a requirement to participate in courses and activities at school.

<b>Proposed Maximum Blended Program Student Capacity</b>		
All Grades	Maximum Enrollment Per Grade	Total Students
K-12	6	↓
<b>Total Blended Program Students</b>		<b>78</b>
<b>Total Proposed Maximum Enrollment Cap, Including Blended Program Students</b>		<b>442</b>

NVA has budgeted for an anticipated ten (10) blended students for the second half of FY12, or beginning January 2012, and twenty (20) blended students for FY13 and FY14 each (See

Appendix AE). These numbers represent NVA’s best guestimate as to the number of students who may enroll in our blended program.

NVA Anticipated Blended Enrollment FY12*					
	Grades				Total
	1-3	4-6	7-8	9-12	
No. of Students	1	3	2	4	10
*Enrollment per grade is a guestimate. Actual enrollment may vary across the grades, but will not exceed the approved cap.

**II. Transportation:** Ref. Idaho Code § 33-5205(3)(t) & 33-5208(4)

A. Transportation Services

NVA will provide transportation services to students within our primary attendance area (Gooding School District) when they live more than one and one-half (1 ½) miles from the facility. In accordance with Idaho Code, students who live less than one and one-half (1 ½) miles from the nearest established bus stop must provide their own transportation to such bus stop. That distance shall be determined by the nearest and best route from the junction of the driveway of the student’s home and the nearest public road, to the nearest door of the building he attends, or to the bus stop, as the case may be. NVA may transport any student a lesser distance when in its judgment the age or health or safety of the student warrants.

A day care center, family day care home, or a group day care facility, as defined in section 39-1102, Idaho Code, may substitute for the student’s residence for student transportation to and

from school. NVA will not transport students between child care facilities and home in accordance to 33-1501, Idaho Code.

#### B. Student Travel To or From an Extracurricular or Co-Curricular Activity

Unless other travel arrangements are authorized, students will board the contracted bus at the school designated as point of origin for the trip and will return to the point of origin in the bus. There will be no stops along the designated route to pick up or discharge students.

The only variation allowed in this regulation is the release of students to parents in a face-to-face situation at the close of the activity before buses begin the return trip. Such release will require a signed, dated note from the parent.

### III. School Lunch Program

#### A. Student Nutrition

NVA is offering hot lunch that qualifies under the guidelines of the local health district and follow the guidelines of the National School Lunch Program.

#### B. Free and Reduced Lunch

The Board will approve policies for determining eligibility of students for free and reduced prices for meals, verification reporting, and record keeping before the implementation of such program. Any such policies will be consistent with guidance from the Idaho State Department of Education.

#### C. Lunchroom Climate

NVA will provide an environment that provides students with a place where they have adequate space to eat.

#### D. Meal Times and Scheduling

NVA will provide:

1. Students with at least 20 minutes to eat after sitting down for lunch.
2. Meal periods scheduled at appropriate times, e.g., lunch will be scheduled between 11 a.m. and 1 p.m.
3. Lunch periods scheduled to follow recess periods (for grades kindergarten through sixth).
4. Access to water during mealtimes, at least through water fountains.
5. Access to hand washing or hand sanitizing before students eat meals or snacks.
6. Reasonable accommodations of the tooth-brushing regimens of students with special oral health needs (e.g., orthodontia or high tooth decay risk.)

## TAB 9: BUSINESS PRACTICES

### **I. Cooperative Business Arrangements**

#### A. Professional-Technical Education Courses Offered In Conjunction With Bliss School District

North Valley Academy is offering a professional-technical education (PTE) Information Technology program. NVA is partnering with Bliss School District to offer additional PTE classes.

##### 1. *Curriculum*

The curriculum is offered under the Agricultural, Business, and Family Consumer Science State of Idaho PTE programs.

##### 2. *Transportation*

Since the classes NVA students will be able to utilize are PTE classes, the State of Idaho pays for the busing between Bliss and North Valley Academy.

##### 3. *Special Education*

The needs of students requiring special education services will be met as outlined in Tab 3, Section V.

##### 4. *School Lunch*

If needed to save time, NVA will serve a sack lunch to their students who choose to enroll in Bliss classes.

##### 5. *ADA*

The ADA being earned at Bliss School District is going to be collected by North Valley Academy because Bliss needs more students to be able to justify class offerings for their students.

### **II. Additional Information**

#### A. State Compliance

NVA will comply with the Idaho State Board of Education and State Department of Education as they relate to Charter Schools and all state statutes applying to public education unless exempt through charter legislation.

#### B. Right to Evaluate Contract Compliance

The Public Charter School Commission will retain the right at any time to evaluate the degree to which NVA is meeting the terms of the charter. The Board (or Designee) may choose to have a district representative(s) or an independent evaluator(s):

1. visit NVA;
2. review NVA's records and data;
3. directly survey NVA's parents, students, or employees;
4. audit the books of NVA;
5. pursue other reasonable means of determining accountability for NVA contract.

**III. Plan for Termination:** Ref. Idaho Code § 33-5205(3)(u) & 5206(8)

It is the responsibility of the Board of NVA to maintain communications with the Authorized Chartering Entity regarding any changes, problems, or difficulties in the operations of the school.

The Authorized Chartering Entity and NVA will resolve disputes relating to provisions of the Charter following the procedures set forth in section 33-5209, Idaho Code, and the applicable rules of the Idaho State Board of Education and the Authorized Chartering Entity for notice of defect and submission of a corrective action plan.

Copies of any complaints filed against NVA, including lawsuits, will be provided to the Authorized Chartering Entity within five (5) business days of receipt by NVA.

**A. Dissolution**

Dissolution of NVA Corporation will be conducted by NVA's Board and will follow the NVA Amended Articles of Incorporation as stated under Tab 1, Item A, Article XI.

In the event of dissolution of the school, all parents will be notified in writing. NVA will offer advice in the placing of students in alternate education settings.

**B. Disposal of Assets**

“Upon the winding up and dissolution of this Corporation, after paying or adequately providing for the debts and obligations of the Corporation, pursuant to Sections 30-3-114 and 30-3-115 of Idaho Code, the remaining assets will be distributed as outlined in NVA's Amended Articles of Incorporation, Article XI. Any such assets not so disposed of shall be disposed of by a Court of Competent Jurisdiction of the county in which the principal office of the corporation is then located, exclusively for such purposes or to such organization or organizations, as said Court shall determine, which are organized and operated exclusively for public charitable or educational purposes.” (Reference Amended Articles of Incorporation, Tab 1, Item A, Article XI. Items purchased with federal money will be turned over to the authorizer for distribution.

**C. Payment of Creditors**

The Corporation will pay or adequately provide for the debts and obligations of the Corporation, pursuant to Sections 30-3-114 and 30-3-115 of Idaho Code.

D. Transfer of Student Records

In the event of dissolution of the school, all parents will be notified in writing. NVA will offer advice in the placing of students in alternate education settings. It will be the responsibility of the President of the Board to ensure that all student school records will be forwarded to the local school district or to the school where the student will be attending. Parents will be given instructions on how to request a transfer of student records to a specific school.

E. Transfer of Personnel Records to the Employees

Personnel records will be mailed to employees at the address on file upon termination of the charter.

TAB 10:

NVA BLENDED EDUCATIONAL PROGRAM: Ref. Idaho Code § 33-5202(a)(6)

**I. Introduction to NVA Blended Educational Program:** Ref. Idaho Code 33-5202(a)(6)

A. Statement of Purpose

North Valley Academy plans to extend the free, rigorous, patriotic education offered to our current face-to-face students to students in a blended program, which is by definition:

Enrollment in the minimum number of online courses required to meet the hourly ADA requirements for half-day attendance set forth by the Idaho State Department of Education, **and** a requirement to participate in courses and activities at school.

NVA’s blended program will move North Valley Academy Charter School forward in our vision to “Create Patriotic and Educated Leaders,” and evidences our stated belief in James Madison’s statement that... “The advancement and diffusion of knowledge is the only guardian of true liberty.”

NVA’s mission—in part—is to strive “to provide an excellent educational choice where students have the opportunity to become an informed and involved citizenry.” We are eager to embrace technology in our delivery as a means to fulfill our vision and mission.

We believe NVA’s blended program will make North Valley Academy Charter School more financially sound and will give the parents of students more educational choices. The target population remains the residents of Gooding School District.

We believe that being able to offer North Valley Academy’s “free, rigorous, and patriotic education” online, in combination with required classes and activities at school, supports the goals of the State of Idaho to offer innovation and choice in education! As a school of choice, we must look to the future.

North Valley Academy seeks to be the 21<sup>st</sup> Century School model where technology and the human touch come together to move education forward to the highest possible level!

B. Background

In the summer of 2010, the administration and members of the NVA Board attended the *National Charter School Conference*. Additionally, the administrator attended a *High Schools That Work Conference* as supported by Federal Charter School Grant funds. Warned at that time of looming budgetary cuts, NVA administrators and supporters began looking for ways to save money and still offer a well-developed program. “Student’s Come First” legislation necessitates the most expeditious method of making online courses available to students. The most viable and responsible solution is blended course offerings.

The NVA administrator created online courses during employment for previous employers, which were utilized by students during the course of their regular school day. Additionally, the administrator served as co-creator of a dual credit IDLA course, and has taught an online IDLA course.

The Technology Director for NVA created courses to be accessed electronically as another teaching method in the classroom, and this prompted a decision to create online course content for secondary course offerings.

Current face-to-face students at NVA in grades 7-12 are already taking advantage of assignments and content available online during the course of the class. Teachers 7-12 prepare all of their lessons online on Moodle currently. When it is appropriate in the classroom, as determined by the teacher, NVA students login to the class on Moodle. The approach was conceived so students have the opportunity of learning at their own speed, and yet, have the benefit of the teacher's presentations. NVA will be using BrainHoney beginning fall of 2011 instead of Moodle.

### C. Definitions

1. "Online education coursework" shall meet the criteria as provided for in Section 33-5205(6)(a) through (h), Idaho Code.
2. "Online teacher" means a person who holds a teaching credential as provided for in Sections 33-1201 and 33-1207, Idaho Code, and who is separated from students by distance and/or time. Teachers of online courses for NVA will receive training which incorporates the ten standards for online teaching outlined by the State Department of Education (see Tab 10).
3. "Online instruction" in the blended program context shall mean a course taught at a distance by a teacher who is separate from students by distance and/or time. Online instruction shall meet the criteria as provided for in Section 33-5205(6)(a) through (h), Idaho Code. This is not to be confused with face-to-face students accessing coursework or assignments over the Internet during the course of a class.

### D. Terms and Conditions for Online Courses in Blended Program: Ref. Idaho Code 33-5202(a)(8), 33-5205 (6)(a through h)

As determined by school policy, NVA students applying for permission to take online courses may only do so as participants in the blended program and must meet the following conditions:

1. Students choosing to enroll in NVA blended program courses must enroll in the minimum number of courses required to meet the hourly ADA requirements for half-day attendance set forth by the State Department of Education **and** participate in required activities and courses at the school.

2. Students will complete prerequisites and provide teacher/counselor recommendations to confirm the student possesses the maturity level needed to function effectively in an online learning environment.
3. The express approval of the Principal/Designee will be obtained before a student enrolls in online courses. The student may only switch from face-to-face to blended program participation (or vice-versa) with approval from the principal and the parent(s). The classroom cap will apply.
4. The school must receive an official record of the final grade before credits earned for coursework completed through online instruction will be recognized.

## **II. NVA Blended Program Plan**

North Valley Academy may use an existing online program to supplement the coursework offered to blended program students to offer a continuum of curriculum and services to help educators with their core mission – to serve all students.

NVA’s blended model requires participation at our school, which may include additional Core Knowledge curriculum for K-8, “We the People” patriotism program, and others of our unique programs under the direction of our onsite teachers in cooperation with the parent and online instructor as needed.

### **A. Program Overview**

1. The offerings will be pre-packaged courses with electives purchased from a provider to be delivered online in a synchronous and asynchronous manner. NVA will also supply our blended program students with textbooks as needed and access to appropriate technology. Face-to-face time for the blended program student will vary according to the program chosen by the parent, but will be required as part of the NVA blended program student’s grade.
2. NVA blended program students will have equal access to necessary hardware, software, and internet connectivity required for participation in online coursework onsite from 8:00 a.m. to 4:00 p.m. Monday through Friday when school is in session. (Ref. 33-5205(6)(g), Idaho Code.) NVA will not provide any hardware for online courses taken offsite.
3. Teachers will post and maintain virtual office hours for synchronous interaction with NVA blended program students to provide guidance with course material via phone, e-mail, and face-to-face. (Ref. section 33-5205(6)(b), Idaho Code.) These, and frequent, required interactions, in addition to receipt of required coursework, will be the means whereby teachers will verify student attendance. (See Appendix AG for a comprehensive list of interactions).

4. NVA blended program students will be assessed, graded, and awarded course credit in the same manner and by the same standards as face-to-face students (Ref. section 33-5205(6)(e), Idaho Code and Tab 10.II.I.6).
5. NVA blended program students will receive appropriate teacher-to-student interaction, including timely, frequent feedback about student progress, in accordance with Idaho Code 33-5205(6)(d), through: E-mail, class discussion board, announcements, chat room, IdahoLive, Web logs; an activity log sheet that will be maintained by the student to be turned in as assigned; weekly posting of grades, and regularly required attendance at school (See also, Appendix AG).
6. NVA blended program students needing technical support relevant to the delivery of online courses will contact their teacher at NVA who will coordinate efforts between the student and content provider. Students participating in online courses onsite will receive technical support as needed from staff. (Ref. 33-5205(6)(f), Idaho Code.)
7. Special education services will be provided to all blended program students who are eligible for services pursuant to the federal Individuals with Disabilities Education Act (IDEA). All requirements for IDEA, as well as Idaho's Special Education Manual Guidance will be followed and implemented as appropriate. Delivery of process, such as meetings or consented assessments, will allow for accommodations to parents and students regarding meeting times and places, including: Face-to-face meetings on- or off-campus at arranged meeting places, telephone conference calls, live meetings online, or a combination thereof to provide student access to all services.

For example: Students enrolled in NVA's blended program may access speech services as delivered over the Internet in a live session with a speech language pathologist. Another option for delivery of speech services to blended program students may include a meeting in the student's home or an arranged meeting place between the student and NVA's contracted onsite speech language pathologist.

Disciplinary procedures will be as directed by IDEA process and Idaho SDE guidelines for students eligible for special education services. Necessary communication with parents and students will be facilitated as directed with a combination of methods, such as: meetings on- and off-campus as arranged, online, or telephone conference calls.

If special education students are in 100% attendance at NVA, all special education requirements per IDEA are provided. If students are not attending NVA 100%, the district in which they reside/enrolled will provide special education services as required by IDEA. NVA will deliver services toward goals and accommodations as directed by IEP for the courses delivered by NVA. (See Tab 3.V.A for additional information about services for Special Education Services).

8. NVA's principal in conjunction with the director of technology will monitor the satisfaction of parents and students with the provider of the online core curriculum. Parent-teacher conferences will be held with blended program students who are enrolled

in online courses at the school face-to-face with the principal/designee three times a year during our regularly scheduled parent-teacher conferences. The required onsite visits will also provide opportunities for interaction with administration and staff. NVA will insist that our provider posts grades and updates to parents with acceptable frequency. All complaints will come to NVA, who will work with the online provider to remedy the situations as they arise.

#### B. NVA Blended Program Marketing Plan

NVA will not be doing extensive marketing as we are not trying to compete with the five state-wide virtual schools for students. Our population will self-select by having a desire to participate onsite as required.

1. In accordance with Idaho Code § 33-5205(3)(s), all advertising and promotion processes for NVA's blended program will include the dissemination of enrollment information, in both English and other languages as required by the demographics of the area, at least three (3) months in advance of the enrollment deadline established by the public charter school each year, to be posted in highly visible and prominent locations within the area of attendance of the public charter school.
2. In addition, NVA will ensure that such process includes the dissemination of press release and/or public service announcements to media outlets that broadcast within and/or disseminate printed publications within the area of attendance of the public charter school. NVA will ensure that such announcements are broadcast and/or published by such media outlets on not less than three (3) occasions, beginning not later than fourteen (14) days prior to the enrollment deadline each year.
3. Finally, such enrollment information will advise that all prospective blended program students will be given the opportunity to enroll in courses, regardless of race, color, national or ethnic origin, religion, gender, social or economic status, or special needs.
4. Advertising for North Valley Academy may actively recruit students for enrollment in blended program courses using, but not limited to, the following methods:
  - a. Advertising with public schools located within the target area using flyers upon administrative approval.
  - b. North Valley Academy website that will introduce information about the school.
  - c. Brochures promoting the curriculum and methods used by NVA's blended program.
  - d. Public informational meetings about NVA's blended program held in accordance with Idaho Statute § 67-23.
  - e. Other methods that may include: news releases, newspapers, news conferences, and newsletters.

f. Web, e-newsletters, and social media.

C. Admissions Procedures: Ref. Idaho Code § 33-5205(3)(j)

1. *Admission Procedures*

NVA blended program offerings will be open to all students, on a space available basis within each grade level as established by the Board. The school will not discriminate based on race, creed, color, gender, national origin, or ancestry. Special needs of students will not be a factor in admission decisions. The school will not charge tuition for students residing in the state of Idaho, levy taxes, or issue bonds. The Board may choose to charge student fees as allowed by state law.

2. *Enrollment Deadline*

NVA will establish an enrollment deadline by which date all requests for admission to enroll in blended program courses for the next school year must be received. Late applications will be accepted for admission for slots remaining open and/or in addition to waiting lists at any time.

3. *Requests for Admission*

A parent, guardian, or other person with legal authority to make decisions regarding school attendance on behalf of a student in Idaho, may make a request in writing for such student to participate in NVA's blended program courses. The request for admission will contain the name(s) and grade(s) of student(s) seeking enrollment in blended program courses, address, and telephone number of each prospective family. In the case of a family with more than one student seeking to enroll in blended program courses, a single request for admission must be submitted on behalf of all siblings.

If the initial capacity of NVA is insufficient to enroll all prospective blended program students, then an equitable selection process, such as a lottery or other random method, will be utilized to determine which prospective students will be enrolled in NVA blended program courses, as described in IDAPA 08.02.04.203.09. Only those written requests for admission submitted on behalf of prospective students that are received prior to the enrollment deadline established for enrollment in blended program courses will be permitted to participate in the equitable selection process.

4. *Admissions Preference*

NVA will establish admission preferences for blended program participation as authorized by Section 33-5205(3)(j), Idaho Code, for students returning to NVA blended program courses, students of founders, siblings of students already participating in blended program courses, and those in the primary attendance area. Founders have already been identified as set forth in Tab 7.

5. *Priority of Preferences for Initial Enrollment*

a. Selection Hierarchy

Admission preferences for initial enrollment of students in NVA blended program courses will have the selection hierarchy as described in Section 33-5205 of the Idaho Code and IDAPA 08.02.04.203.

b. Attendance Areas

The primary attendance area for students participating in NVA's blended program courses will be Gooding School District boundaries.

c. Re-enrollment

Once enrolled in NVA's blended program, students will not be required to reapply each year thereafter. Hence, once admitted, a student will not be removed because another student seeks admission.

6. *Priority Preferences for Subsequent Enrollment Periods*

NVA will have admission preferences for enrollment of students in blended program courses in subsequent school years, with the selection hierarchy with respect to such preferences outlined in Section 33-5205 of the Idaho Code:

- a. First priority group: students returning to NVA's blended program;
- b. Second priority group: (1) children of founders, provided that this admission preference shall be limited to not more than ten percent (10%) of the capacity of the public charter school, followed by: (2) children of full-time employees of NVA, and finally: (3) children who attended NVA within the previous three school years, but who withdrew as a result of the relocation of a parent or guardian due to an academic sabbatical, employer or military transfer or reassignment;
- c. Third priority group: siblings of pupils already selected by the lottery or other random method;
- d. Fourth priority group: applicants in primary attendance area; and
- e. Fifth priority group: applicants outside of primary attendance area

7. *Proposed Attendance List*

Each year NVA will maintain a proposed blended program attendance list containing the names of all prospective students on whose behalf a timely request for admission was received, separated by grade level. The proposed attendance list may contain columns next to the name of each student, in which NVA will designate admission preferences applicable to each prospective blended program student. The columns might designate "A" for returning preference; "B" for founders preference; "C" for sibling preference, with a corresponding cross-reference to each of the siblings of the prospective student; and "D" for attendance area preference.

8. *Provision for Over Enrollment: Equitable Selection Process*

If the initial capacity of NVA is insufficient to enroll all prospective blended program students, or if capacity is insufficient to enroll all prospective blended program students in subsequent school years, then NVA will determine who will be offered admission to NVA blended program courses by conducting a fair and equitable lottery selection process.

#### 9. *Final Selection List*

The names of the persons in highest order on the final selection list will have the highest priority for admission to NVA blended program courses in that grade, and will be offered admission to NVA blended program courses in such grade until all seats for that grade are filled.

##### a. Notification and Acceptance Process

- i. Within seven days after conducting the selection process, NVA will send an offer letter to the parent who submitted an admission request in the blended program on behalf of the student, advising the person that the student has been selected for admission to NVA. The offer letter must be signed by the student's parent, and returned to NVA by the date designated in the offer letter from NVA.
- ii. Within seven days after conducting the selection process, NVA will send a letter to the parent, or other person who has submitted an admission request for the blended program on behalf of the student, advising them that the perspective student is not eligible for admission, but will be placed on a waiting list and may be eligible for admission at a later date if a seat becomes available. Ref. Idaho Code § 33-5205(3)(j)
- iii. If a parent receives an offer letter on behalf of a student and declines admission, or fails to sign and return the offer in a timely manner by the date designated in the offer letter, then the name of that student will be stricken from the final selection list, and that seat will be made available to the next eligible student on the final selection list.
- iv. If a student withdraws from NVA blended program courses during the school year for any reason, then the seat that opens in that grade will be made available to the next eligible student on the final selection list.

#### 10. *Subsequent School Years*

The final selection list for a given school year will not roll over to the next subsequent school year. If the capacity of NVA is not sufficient to enroll all prospective blended program students during the next subsequent school year, then a new equitable selection process will be conducted by NVA for that year.

All prospective blended program students who miss the enrollment deadline will be placed at the bottom of the final selection list in the order in which they are received. They will only receive admittance to NVA when all prospective blended program students on the final selection list have been given the option of acceptance and there are still vacancies in the grade level needed.

## 11. *Amendments*

NVA has the right to amend these blended program admission procedures as needed with the approval of the Authorized Chartering Entity. Any changes will conform to the laws of the State of Idaho and applicable rule of the Idaho State Board of Education.

### D. Secondary Blended Program Offerings, Grades 7-12

In addition to online course offerings by the provider(s) selected by NVA, onsite teachers will prepare online lessons using BrainHoney LMS. Professional development will be administered by IDLA (See Appendix AH).

### E. Supplemental Secondary Blended Program Requirements: Ref. Idaho Code § 33-5205(6)(g)

1. NVA blended program secondary students will be expected to attend school in NVA uniform to participate in the “Above and Beyond” secondary program where they will join students in like grades for recitation of patriotic poetry and readings, as well as, singing of patriotic songs.
2. NVA blended program secondary students will be required to attend at least one, all-school activity per trimester. Some of the current all school activities offered at NVA are drama productions, sports, academic fair, invention convention, winter holiday program, graduation ceremony and production, school sanctioned dances, Project Rudolph Military Support, etc.
3. NVA blended program secondary students will also be required to participate in our all-school service opportunities and/or an approved family/community service opportunity every trimester.

### F. Elementary Blended Program Offerings, Grades K-6

1. The online portion of the blended program looks somewhat different for students K-6 than it does for the students 7-12. In grades K-6, North Valley Academy plans to purchase courses that are already created. Our teachers will add charter-driven coursework, which will be delivered with regular textbooks and online support in the form of lesson plans related to the added program.
2. NVA K-6 blended program students will be required to attend the weekly “Rise and Shine” ceremony where they (in full dress code compliance) and NVA full-time, face-to-face students will join together in activities such as: recitation of patriotic poetry and readings, as well as, singing of patriotic songs. Programs such as the Great Expectations Character Education program is reinforced in this setting. This can include the Word-of-the-Week, a Hero of the Month, and recitation of the school creed.

3. NVA K-6 blended program students will be required to participate in all-school activities and all-school/family/community service opportunities per year. Age-appropriate activities are offered several times each semester, such as: Academic Fair, Invention Convention, drama productions, monthly Hero nights, Veteran’s Program, Project Rudolph Veteran Support, etc.

G. Class Size

NVA anticipates a minimum enrollment of ten, full-time, blended program students in grades K-12 no sooner than January 2012. NVA seeks a cap of no more than six (6) students per grade.

NVA Anticipated Blended Program Enrollment 2011-2012 School Year					
*Student enrollment at specific grade levels is a guesstimate. The actual enrollment may vary, but will not exceed the cap.					
	Grades				Total
	1-3	4-6	7-8	9-12	
No. of Students	1	3	2	4	10

H. Transportation Services

The State Department of Education indicated in the sufficiency review completed 5/27/2011, “NVA will not be eligible for the on-line transportation reimbursement.”

I. Operating Procedures

Upon approval of the PCSC, NVA will partner with an accredited provider of online content as we grow into offering our current curriculum (offered to our full-time, face-to-face students) to NVA blended program students. At that time NVA will start advertising by print and word of mouth the addition of NVA blended program course offerings. The response will determine in part the method of delivery.

1. Vendors

NVA will utilize an online vendor with experience in Idaho for the online course portion of its blended program. NVA is still investigating options, but may be using IDLA and either Connections Academy or K-12 to fill the need of K-6 synchronous and asynchronous online curriculum and possibly 7-12 classes. Both providers include textbooks and NVA will add the Core Knowledge Sequence for grades K-8 that will be monitored by NVA’s site coordinator for progress. Attendance in courses and activities at the school will be a graded requirement.

- a. *Connections* is the most economical provider of a full deal including the teacher. They will allow NVA to pay monthly for their service and adjust the fee if students drop out of the program. *Connections* also has a reputation for making AYP. If NVA uses *Connections*, we would need to hire a site coordinator or use one of our current staff.
- b. *K-12* offers training for local teachers to monitor the class or they will supply the teacher for an additional cost. NVA will hire teachers as needed depending on the delivery

method chosen. *K-12* also offers a payment plan spaced over 10 months on a month-to-month basis to reflect fluctuating enrollment. Again, NVA will need to hire a site coordinator or use a current staff member.

- c. *IDLA* is the most economical program without a teacher. NVA would provide the certified teacher under this option.

## 2. *Character Education*

We may also incorporate the character education programs currently in use at NVA, i.e. “Great Expectations”, Ron Clark’s “Essential 55”, “Excellent 11”, and James Owens’ “Cowboy Ethics.” This will be accomplished in part by attendance at the K-6, “Rise and Shine” ceremony or the 7-12, “Above and Beyond” ceremony.

## 3. *Personnel Standards*: Ref. Idaho Code § 33-5205(6)(c)

Upon approval of the PCSC, NVA will sign a contract with a provider and start advertising by print and word of mouth the addition of NVA blended program courses. The response will determine in part the method of delivery.

The online teachers will be employees of the curriculum provider the first year. These teachers will teach the “core” classes. NVA certified onsite teachers will teach some electives during the required onsite attendance. NVA staff and teachers will be the ones to communicate and teach our specific mission/values during the onsite attendance. These values are instilled by everything NVA does at our school, from the uniforms, to the character education, to the rooms themselves. That is why NVA has decided that only a blended program will work for us. We believe in education through online courses as a solid choice for some parents and kids, but NVA needs to see them often to really do a thorough job of “creating patriotic and educated leaders”. By the second year of offering blended program courses, NVA hopes to have its teachers trained to take over “some” of the online classes offered in the blended program. All teachers of core curriculum will be required to be certified as required.

NVA’s online teachers will be trained to meet the ten standards as recommended by the State Board of Education as well as being Idaho Certified teachers. (Onsite teachers who will be teaching or supervising delivery of online courses will be trained to meet the ten standards identified by the State Board of Education as needed.) Teachers will either take professional development which addresses the standards or show proof of having taken such a course or have experience in online teaching. Those standards are:

- a. **Standard #1: Knowledge of Online Education** - The online teacher understands the central concepts, tools of inquiry, and structures in online instruction and creates learning experiences that take advantage of the transformative potential in online learning environments.

- b. Standard #2: Knowledge of Human Development and Learning - The online teacher understands how students learn and develop, and provides opportunities that support their intellectual, social, and personal development.
- c. Standard #3: Modifying Instruction for Individual Needs - The online teacher understands how students differ in their approaches to learning and creates instructional opportunities that are adapted to learners with diverse needs.
- d. Standard #4: Multiple Instructional Strategies - The online teacher understands and uses a variety of instructional strategies to develop students' critical thinking, problem solving, and performance skills.
- e. Standard #5: Classroom Motivation and Management Skills - The online teacher understands individual and group motivation and behavior and creates a learning environment that encourages positive social interaction, active engagement in learning, and self-motivation.
- f. Standard #6: Communication Skills, Networking, and Community Building - The online teacher uses a variety of communication techniques including verbal, nonverbal, and media to foster inquiry, collaboration, and supportive interaction in and beyond the classroom.
- g. Standard #7: Instructional Planning Skills - The online teacher plans and prepares instruction based upon knowledge of subject matter, students, the community, and curriculum goals.
- h. Standard #8: Assessment of Student Learning - The online teacher understands, uses, and interprets formal and informal assessment strategies to evaluate and advance student performance and to determine program effectiveness.
- i. Standard #9: Professional Commitment and Responsibility - The online teacher is a reflective practitioner who demonstrates a commitment to professional standards and is continuously engaged in purposeful mastery of the art and science of online teaching.
- j. Standard #10: Partnerships - The online teacher interacts in a professional, effective manner with colleagues, parents, and other members of the community to support students' learning and well-being.

#### 4. *Proposed Partnerships*

See Appendices AA-AD

#### 5. *Financial Statement*

See Appendix AE

6. *ADA (Blended Program Funding and Accountability for Funding)*

Students choosing to enroll in NVA blended program courses must enroll in the minimum number of courses required to meet the hourly ADA requirements for half-day attendance set forth by the State Department of Education **and** participate in activities and courses at school as required.

NVA will receive ADA based on coursework completion:

- a. Since the classes at NVA are delivered in trimesters, blended program courses will be delivered in trimester sections.
- b. A trimester equates with three months of our school calendar.
- c. One-third (1/3) of the course must be completed each month. The teacher of the course **WILL** keep records recording student success and a monthly cumulative grade report. If the student has completed 100% of the coursework due for each month, NVA receives full ADA seat time. If the student completes 75% of the coursework due each month, NVA receives 75% of the ADA.
- d. The teacher will keep the monthly documentation and that documentation will be given to the school clerk at the end of the month to include in the ISEE report.
- e. ISEE information is uploaded to the State Department of Education monthly.
