Appendix B: Conditions of Renewal

1. Condition 1: PVCS must achieve a Meets Standard rating on the Debt Service Coverage Ratio of the Commission's performance framework by November 15, 2023.

2. Condition 2: PVCS must achieve full accreditation through the State Board of Education's approved school accrediting body (currently Cognia) by June 1, 2024.

Part of PVCS's conditional approval in 2018 included the condition that the school achieve accreditation candidacy status by July 1, 2019 and achieve full accreditation by July 1, 2021. This condition was adopted based on the Commission's stated concerns that PVCS's academic program, as presented in the charter petition, may not be sufficient to produce the academic outcomes necessary to meet standard on the academic performance measures of the performance framework. PVCS did not meet this condition by the stated date, as it did not achieve accreditation candidacy status until April of 2022. Based on Cognia's accreditation procedures, within two years of a school's acceptance into candidacy status, the school will be reviewed to determine whether full accreditation status will be awarded. The due date of this condition accounts for Cognia's two-year window within which PVCS will be reviewed.

3. Condition 3: PVCS must achieve a Meets Standard rating on the following financial measures of the Commission's performance framework in fiscal year 2024: Total Margin, Cash Flow, Financial Compliance, and Debt to Asset Ratio. Since the corresponding data will be evaluated on or before November 15, 2024, the date by which this condition must be met is November 15, 2024.

PVCS did not meet standard on the Debt to Asset Ratio or Total Margin measures in fiscal year 2022. Financial measures are defined in the performance framework and shall be incorporated into PVCS's 2023-2028 performance certificate.

4. Condition 4: PVCS must achieve a Meets Standard rating on all operational measures of the Commission's performance framework in fiscal year 2024. Since the corresponding data will be evaluated on or before November 15, 2024, the date by which this condition must be met is November 15, 2024.

Operational measures include: Governance Structure, Governance Oversight, Governance Compliance, Student Services, Data Security & Information Transparency, Facility Services, and Operational Compliance. PVCS failed to meet standard on multiple operational measures each year of its

first operational term. Annual performance reports issued by the Commission identify the known issues and cite supporting documentation.

PVCS has acted to correct some of the issues, but failure to do so promptly is noted as an additional concern in several instances. PVCS has struggled with board turn over, internal divisiveness, and a poor working relationship between the board and its administrator. These ongoing issues are noted in a courtesy letter issued by the Commission staff in 2019 and again in a letter issued by the Idaho School Board Association in 2022.

Outstanding compliance issues are noted in a letter of Findings and Recommended Corrective Actions which was issued to PVCS at the conclusion of a Commission complaint investigation on October 15, 2022. These findings, which include compliance issues with board policy, building safety, and operational procedures, are currently being addressed by PVCS.

5. Condition 5: PVCS must achieve a Meets Standard rating on the literacy proficiency measure of the Commission's performance framework in fiscal year 2024. Since the corresponding data will be evaluated on or before November 15, 2024, the date by which this condition must be met is November 15, 2024.

PVCS did not meet standard on the literacy proficiency measure in any operational year over the course of its performance certificate term. The literacy proficiency measure is defined in the performance framework and shall be incorporated into PVCS's 2023-2028 performance certificate.

6. Condition 6: PVCS must achieve a Meets Standard rating on the English language arts proficiency measure of the Commission's performance framework in fiscal year 2025. Since the corresponding data will be evaluated on or before November 15, 2025, the date by which this condition must be met is November 15, 2025.

PVCS did not meet standard on the English language arts proficiency measure in any operational year over the course of its performance certificate term. The English language arts proficiency measure is defined in the performance framework and shall be incorporated into PVCS's 2023-2028 performance certificate.

7. Condition 7: PVCS must achieve a Meets Standard rating on the math proficiency measure of the Commission's performance framework in fiscal year 2025. Since the

corresponding data will be evaluated on or before November 15, 2025, the date by which this condition must be met is November 15, 2025.

PVCS did not meet standard on the math proficiency measure in any operational year over the course of its performance certificate term. The math proficiency measure is defined in the performance framework and shall be incorporated into PVCS's 2023-2028 performance certificate.
